(i) all warranties (express and implied) that continue in effect with respect to any Acquired Asset.

2.2 Excluded Assets. Notwithstanding the provisions of Section 2.1, Sellers will not sell, convey, transfer or assign to Buyer, and Buyer will not purchase, acquire or take assignment of, any right, title or interest of Sellers in any of the following (collectively, the “Excluded Assets”):

2.4 Excluded Liabilities. Except for the Assumed Liabilities, Buyer will not assume, nor will it agree to pay, perform or discharge, any Liability of any Seller or any Affiliate of any Seller, whether or not arising from or relating to the conduct of the Business (such Liabilities which are not being assumed, the “Excluded Liabilities”). 2.5 Certain Provisions Regarding Assignments. Notwithstanding anything in this Agreement or any Seller Ancillary Agreement to the contrary, neither this Agreement nor any Seller Ancillary Agreement will constitute an agreement to assign or transfer any interest in any Assumed Contract or any claim or right arising thereunder if such assignment or transfer without the Consent of a third party would constitute a breach thereof or affect adversely the rights of Buyer thereunder, and any such transfer or assignment will be made subject to such Consent being obtained. In the event any such Consent is not obtained prior to Closing, Sellers will continue to use commercially reasonable efforts to obtain any such Consent after Closing, and Sellers will cooperate with Buyer in any lawful and economically feasible arrangement to provide that Buyer will receive the interest of Sellers in the benefits under any such Assumed Contract, including performance by Sellers as agent, provided that Buyer will undertake to pay or satisfy the corresponding Liabilities for the enjoyment of such benefit to the extent Buyer would have been responsible therefor if such Consent had been obtained. Nothing in this Section 2.5 will be deemed a waiver by Buyer of its right to receive prior to or at Closing an effective assignment of all of the Acquired Assets, nor will this Section 2.5 be deemed to constitute an agreement to exclude from the Acquired Assets any assets described under Section 2.1.

(h) All closing payments will be reflected on a closing statement to be executed by Buyer, ARH, AEH and ARTSS at Closing.

3.3 Closing Statement.

(a) Within sixty (60) days after the Closing, Buyer will prepare (or cause to be prepared), issue and deliver to Bruno with respect to each Seller Group a statement of Buyer’s calculations of the Purchase Price Adjustment Amount and the various components thereof (the “Closing Statement”). Within the fifteen (15) day period after delivery by Buyer of the Closing Statement, Bruno will, in a written notice to Buyer, either accept the Closing Statement, or, in

the event that Bruno believes that the Closing Statement is inaccurate, describe in reasonable detail any proposed adjustments to the Closing Statement which Bruno believes should be made and the basis therefor. If Buyer has not received such notice of proposed adjustments within such fifteen (15) day period, the Closing Statement will be deemed to have been accepted and agreed to by Bruno and the Seller Group in the form in which such Closing Statement is delivered by Buyer and will be final and binding on the Parties.

(b) Buyer and Bruno will negotiate in good faith to resolve any dispute over Bruno's proposed adjustments to the Closing Statement, provided that if any such dispute is not resolved within fifteen (15) days following receipt by Buyer of the proposed adjustments, Buyer and Bruno jointly will select (or, if Buyer and Bruno are unable to agree, the American Arbitration Association will select) an independent accounting firm which has not had a material relationship with Buyer, the Seller Group or any of their respective Affiliates within five (5) years preceding such selection (such firm, the "Accounting Firm") to resolve by arbitration any remaining dispute over Bruno's proposed adjustments. The Accounting Firm will resolve the items in dispute and render a written report on the resolved disputed items (and only on those disputed items) within thirty (30) days after the date on which they are engaged or as soon thereafter as possible. In resolving any disputed item, the Accounting Firm may not assign a value to any item greater than the greatest value for such item claimed by Buyer or Bruno or less than the smallest value for such item claimed by Buyer or Bruno. The resolution of the dispute by the Accounting Firm will be final and binding upon the Parties except in the case of fraud or manifest clerical error, and judgment may be entered on the award. The cost of the services of the Accounting Firm will be allocated by the Accounting Firm between Buyer and Bruno (on behalf of the Seller Group) in the same proportion that the aggregate amount of such resolved disputed items so submitted to the Accounting Firm that is unsuccessfully disputed by each such Party (as finally determined by the Accounting Firm) bears to the total amount of such resolved disputed items so submitted.

(c) Promptly, but no later than five (5) days after the determination of the Closing Statement in accordance with this Section 3.3,

(i) if the Purchase Price Adjustment Amount attributable to a Seller Group exceeds the Estimated Purchase Price Adjustment Amount attributable to such Seller Group, then Buyer will pay to such Seller Group an amount equal to such excess, or

(ii) if the Purchase Price Adjustment Amount attributable to a Seller Group is less than the Estimated Purchase Price Adjustment Amount attributable to such Seller Group, then Buyer and Bruno will execute and deliver a joint written instruction to the Escrow Agent instructing the Escrow Agent to disburse to Buyer from the Escrow Fund an amount equal to such deficit. In the event such amount due Buyer exceeds the Escrow Fund, at the time of the foregoing disbursement to Buyer, Sellers will pay to Buyer an amount equal to such excess.

For the avoidance of doubt, if or should the Purchase Price Adjustment Amount and the Estimated Purchase Price Adjustment Amount be negative numbers "exceeds" shall mean less negative or a positive number.

3.4 Contingent Payment Amount. As an additional component to the Purchase Price, the Seller Group will be eligible to receive the Contingent Payment Amount in accordance with this Section 3.4.

(a) As used herein:

(i) “Contingent Payment Amount” means an amount up to \$7,500,000.

(ii) “Contingent Payment Customers” means the customers of Sellers listed on Schedule 3.4(a)(ii) (the “Contingent Payment Customer List”) and any New Customers.

(iii) “Contingent Period Revenues” means the Rental Revenues of Buyer attributable to the Contingent Payment Customers during the Contingent Payment Period.

(iv) “Contingent Payment Threshold” means an amount equal to the combined Rental Revenues of Sellers and Buyer attributable to the Contingent Payment Customers during the trailing twelve (12) month period prior to the Closing, as reflected on the Contingent Payment Customer List.

(v) “Contingent Payment Period” means the 12-month period commencing on January 1, 2022.

(vi) “Rental Revenues” means pure rental revenues, excluding rental related revenues such as re-rent, transportation, fuel, damage waiver, environmental, parts, labor and sales.

(vii) “New Customers” means any Person that (A) has never been a customer of Sellers or a customer of Buyer or its Affiliates prior to the Closing, (B) is introduced to Buyer by Bruno E. Ramos or any former employee of Sellers, and (C) is approved by Buyer.

(b) During the Contingent Payment Period, Buyer (i) shall in good faith continue to provide rental services to the Contingent Payment Customers and (ii) shall not take any action that is primarily intended to prevent or frustrate the achievement of Contingent Period Revenues for the Contingent Payment Period being equal to or greater than the Contingent Payment Threshold.

(c) Buyer will prepare and deliver to Bruno (i) within the ten (10) day period following the end of each calendar month during the Contingent Payment Period a statement setting forth in reasonable detail the Contingent Period Revenues to date through the end of the month in question and (ii) within the thirty (30) days following the end of the Contingent Payment Period, a statement setting forth in reasonable detail the Contingent Period Revenues for the entire Contingent Payment Period (the “Final Revenue Calculation”). Within the thirty (30) day period after Buyer’s delivery of the Final Revenue Calculation, Bruno will, in a notice to Buyer, either accept the Final Revenue Calculation, or, in the event that Bruno believes the

Final Revenue Calculation was not determined correctly or in accordance with this Agreement, describe in reasonable detail any proposed adjustments to the Final Revenue Calculation which Bruno believes should be made and the basis therefor. If such notice of proposed adjustments has not been delivered to Buyer within such thirty (30) day period, Bruno will be deemed to have accepted the Final Revenue Calculation. For the avoidance of doubt, Bruno's receipt and/or acceptance of the calculations presented in the interim statements delivered under subsection (i) above shall not be deemed conclusive and binding upon Bruno for purposes of the Final Revenue Calculation (which shall be, as adjusted in accordance with Sections 3.4(b) and 3.4(c) if and as applicable, the sole determinant of the Contingent Payment Amount).

(d) Buyer and Bruno will negotiate in good faith to resolve any dispute over the Bruno's proposed adjustments to the Final Revenue Calculation, provided that if any such dispute is not resolved within thirty (30) days following receipt by Buyer of Bruno's proposed adjustments, Buyer and Bruno jointly will select (or, if Buyer and Bruno are unable to agree, the American Arbitration Association will select) an Accounting Firm to resolve by arbitration any remaining dispute over Bruno's proposed adjustments. Buyer and Bruno will direct the Accounting Firm to resolve the items in dispute and render a written report on the resolved disputed items (and only on those disputed items) within thirty (30) days after the date on which it is engaged or as soon thereafter as possible. In resolving any disputed item, the Accounting Firm may not assign a value to any item greater than the greatest value for such item claimed by Buyer or Bruno or less than the smallest value for such item claimed by Buyer or Bruno. The resolution of the dispute by the Accounting Firm will be final and binding upon the Parties except in the case of fraud or manifest clerical error, and judgment may be entered on the award. The cost of the services of the Accounting Firm will be allocated by the Accounting Firm between Buyer and Bruno (on behalf of the Seller Group) in the same proportion that the aggregate amount of such resolved disputed items so submitted to the Accounting Firm that is unsuccessfully disputed by each such Party (as finally determined by the Accounting Firm) bears to the total amount of such resolved disputed items so submitted.

(e) The Contingent Payment Amount will be earned and paid as follows:

(i) In the event the Final Revenue Calculation for the Contingent Payment Period (as deemed final pursuant to Sections 3.4(c) or 3.4(d)) reflects that the Contingent Period Revenues for the Contingent Payment Period are equal to or greater than the Contingent Payment Threshold, then Buyer will, within five (5) days of such determination, pay to ARH and AEH in the aggregate the full Contingent Payment Amount of \$7,500,000 by wire transfer of immediately available funds to the accounts and pursuant to the allocation designated by Bruno;

(ii) In the event the Final Revenue Calculation for the Contingent Payment Period (as deemed final pursuant to Sections 3.4(c) or 3.4(d)) reflects that the Contingent Period Revenues for the Contingent Payment Period are less than the Contingent Payment Threshold but are equal to or greater than ninety-one percent (91%) of the Contingent Payment Threshold, then Buyer will, within five (5) days of such determination, pay to ARH and AEH in the aggregate a portion of the Contingent Payment Amount equal to the applicable amount set forth in the

following table by wire transfer of immediately available funds to the accounts and pursuant to the allocation designated by Bruno:

<i>Percentage of Contingent Payment Threshold</i>	<i>Contingent Payment Amount</i>
0% – 90.99%	\$0
91% – 91.99%	\$750,000
92% – 92.99%	\$1,500,000
93% – 93.99%	\$2,250,000
94% – 94.99%	\$3,000,000
95% – 95.99%	\$3,750,000
96% – 96.99%	\$4,500,000
97% – 97.99%	\$5,250,000
98% – 98.99%	\$6,000,000
99% – 99.99%	\$6,750,000
≥100%	\$7,500,000

(f) For the avoidance of doubt, the Contingent Payment Amount will not exceed \$7,500,000.

3.5 Allocation of Purchase Price. The ARH Purchase Price, AEH Purchase Price and ARTSS Purchase Price shall be allocated to the various assets comprising the Acquired Assets of the respective Sellers for all purposes (including tax and financial accounting purposes) in a manner consistent with the methodology schedule set forth on Schedule 3.5 (the “Allocation Methodology”) attached hereto. Sellers and Buyer acknowledge that such Allocation Methodology is intended to comply with the requirements of Section 1060 of the Code and shall be binding upon the parties for all applicable federal, state, local and foreign tax purposes. Within one hundred fifty (150) days of the Closing Date, Buyer will provide Sellers with a schedule (the “Allocation Schedule”) allocating the ARH Purchase Price, the AEH Purchase Price and the ARTSS Purchase Price among the Acquired Assets in accordance with the Allocation Methodology. If Sellers fail to object to the Allocation Schedule within fifteen (15) days of Sellers’ receipt of the Allocation Schedule, then Buyer and Sellers agree to allocate the ARH Purchase Price, the AEH Purchase Price and the ARTSS Purchase Price among the Acquired Assets as set forth on the Allocation Schedule. If Sellers object in writing to the Allocation Schedule within fifteen (15) days of Sellers’ receipt of the Allocation Schedule, then the Parties will attempt to agree on the allocation of the ARH Purchase Price, the AEH Purchase Price and the ARTSS Purchase Price among the Acquired Assets. If Buyer and Sellers fail to agree on the allocation of the ARH Purchase Price, the AEH Purchase Price and the ARTSS Purchase Price, either Party may file an IRS Form 8594 reflecting an allocation of the ARH Purchase Price, the AEH Purchase Price and the ARTSS Purchase Price as determined by such Party in its discretion. Any adjustments to the ARH Purchase Price, the AEH Purchase Price and the ARTSS Purchase Price pursuant to this Agreement will be allocated in a manner consistent with the final allocation of the ARH Purchase Price, the AEH Purchase Price and the ARTSS Purchase Price.

Each Seller has all requisite limited liability company power and authority to own, lease and operate its properties and assets and to conduct its business as presently conducted. There are no jurisdictions in which either the ownership or use of the properties owned or used by any Seller, or the nature of the activities conducted by such Seller, require such Seller to be qualified to do business as a foreign limited liability company and where the failure to so qualify may have a Material Adverse Effect.

(b) Except for the Subsidiaries of ARH and AEH listed on Schedule A to this Agreement, no Seller has any Subsidiaries and no Seller owns any equity, partnership, membership or similar interest in, or any interest convertible into, exercisable for the purchase of or exchangeable for any such equity, partnership, membership or similar interest, or is under any current or prospective obligation to form or participate in, provide funds to, make any loan, capital contribution or other investment in, or assume any Liability of, any Person.

(b) Sellers and Buyer shall use commercially reasonable efforts to give all notices to, and obtain all Consents from, all third parties that are described in Sections 5.3 and 6.3 of this Agreement and Section 5.3 of the Seller Disclosure Schedule.

7.4 Notification. Sellers will promptly notify Buyer, and Buyer will promptly notify Sellers, of (a) any notice or other communication received by such Party from any Governmental Authority in connection with the Transactions or from any Person alleging that the Consent of such Person is or may be required in connection with the Transactions, if the subject matter of such communication or the failure of such Party to obtain such Consent could be material to Sellers or Buyer, (b) any Proceedings commenced or, to such Party's Knowledge, threatened against, relating to or involving or otherwise affecting such Party which relate to the Transactions, (c) the existence of any event or circumstance that could reasonably be expected to result in any condition to the obligations of the other Parties to effect the Transactions not to be satisfied, or (d) the failure of such Party to comply with or satisfy any covenant, condition or agreement to be complied with or satisfied by it pursuant to this Agreement which could

reasonably be expected to result in any condition to the obligations of the other Parties to effect the Transactions not to be satisfied.

7.5 No Solicitation. Each Seller will, and will cause such Seller's officers, employees, investment bankers, financial advisors, attorneys, accountants, agents and other representatives (collectively, "Representatives") to, immediately cease and cause to be terminated any discussions or negotiations with any Person conducted heretofore with respect to an Acquisition Proposal, and use reasonable best efforts to obtain the return from all such Persons or cause the destruction of all copies of confidential information previously provided to such parties by such Seller or Representatives. Each Seller will not, and will cause its Representatives not to, directly or indirectly: (a) solicit, initiate, cause, facilitate or encourage (including by way of furnishing information) any inquiries, proposals or offers with respect to, or that constitute, or that may reasonably be expected to lead to, any Acquisition Proposal; (b) participate or engage in any discussions or negotiations with any third party regarding any Acquisition Proposal; (c) enter into any letter of intent, agreement in principle, memorandum of understanding, merger, acquisition, purchase or joint venture Contract or other Contract related to any Acquisition Proposal; or (d) release or permit the release of any Person from, or waive or permit the waiver of any provision of or right under, any confidentiality, non-solicitation, no hire, "standstill" or similar Contract to which such Seller is a party or under which such Seller has any rights. Each Seller will promptly advise Buyer of any Acquisition Proposal and any inquiries with respect to any Acquisition Proposal. For purposes of this Section 7.5, "Acquisition Proposal" means any proposal for a merger or other business combination involving any Seller or any proposal or offer to acquire in any manner, directly or indirectly, an equity interest in any Seller, any capital stock of any Seller or a substantial portion of the assets of any Seller.

7.6 Taxes.

(a) Sellers will be liable for and will pay all personal property Taxes (whether assessed or unassessed) applicable to the Business and the Acquired Assets, in each case to the extent attributable to taxable years or periods ending prior to the Closing Date and, with respect to any Straddle Period, the portion of the Straddle Period ending on the date immediately prior to the Closing Date. Buyer will be liable for and will pay all personal property Taxes (whether assessed or unassessed) applicable to the Business and the Acquired Assets, in each case to the extent attributable to taxable years or periods beginning on or after the Closing Date and, with respect to any Straddle Period, the portion of the Straddle Period including and beginning on the Closing Date. All Taxes will be allocated on a daily basis.

(b) After the Closing, the Parties will cooperate, and will cause their Affiliates to cooperate, in preparing and filing all personal property Tax Returns applicable to the Business and the Acquired Assets to the extent reasonably requested, including by providing each other with access to information, records, documents, properties and personnel relating to the Business, the Acquired Assets or the Assumed Liabilities. Buyer will pay the cost of all sales, use or transfer Taxes arising out of the Transactions. The sales, use and transfer Tax Returns required by reason of the Transactions will be timely prepared by the Party required by applicable Law. The Parties will cooperate with each other in connection with the preparation and filing of such Tax Returns, in obtaining all available exemptions from such sales, use and

transfer Taxes and in timely providing each other with resale certificates and any other documents necessary to satisfy any such exemptions.

7.7 Further Assurances. After the Closing, upon the reasonable request of another Party and at the expense of the requesting Party, each Party will execute and deliver, or cause to be executed and delivered, to the requesting Party such bills of sale, assignments and other instruments as may be reasonably requested and as are required to effectuate completely the transfer and assignment to Buyer of Sellers' right, title and interest in and to the Acquired Assets and the assumption by Buyer of the Assumed Liabilities.

7.8 Employees and Employee Benefit Plans.

(a) Subject to Buyer's due diligence investigation and customary pre-employment application and screening process, Buyer will make offers of employment to each of the Sales Employees, effective as of the Closing Date. Such individual offers of employment will be at levels of aggregate compensation that is no less than the aggregate compensation received by such Sales Employee from Sellers immediately prior to the Closing Date, provided, however, that commission structures may vary. At the time of the Closing, Sellers will terminate all of the Business Employees to whom Buyer makes offers of employment and, at or following the Closing, Sellers will pay to such Business Employees all amounts to which such Business Employees are entitled which have been earned or accrued for wages, commissions, salaries, bonuses, holiday and vacation pay, and past service claims as of the Closing Date, and will make and remit, for all periods through and including the Closing Date, all proper deductions, remittances and contributions for employees' wages, commissions and salaries required under all Contracts and Laws (including for any health, hospital and medical insurance, group life insurance, pension plans, workers' compensation, unemployment insurance, income Tax, FICA taxes and the like) and, wherever required by such Contracts and/or Laws, all proper deductions and contributions from its own funds for such purposes. Sellers will be responsible for all Liabilities arising out of or based upon such termination of the Business Employees, including any severance pay obligations of Sellers or their Affiliates.

(b) From and after the Closing, Buyer will cause its employee benefit plans and programs that cover the Transferred Employees to recognize each Transferred Employee's service prior to the Closing with Sellers as if such service were with Buyer for purposes of terms of employment, eligibility and vesting under such plans and programs, except to the extent such service credit would result in duplication of benefits.

(c) Nothing in this Section 7.8, express or implied, will confer any Transferred Employee or other Person not a party to this Agreement any legal or equitable rights, benefit, or remedy of any nature, including any third-party beneficiary rights under or by reason of this Section 7.8.

7.9 Expenses. Except as set forth in Section 3.3(b) and Section 3.4(d), all expenses incurred in connection with this Agreement and the Transactions will be paid and borne by the Party incurring such expenses; provided, that Buyer shall be responsible for all filing fees under the HSR Act.

7.10 Aggregate Closing Date Accounts Receivable; Pre-Closing Payables.

(a) From and after the Closing Date, Buyer will use commercially reasonable efforts to collect the Aggregate Closing Date Accounts Receivable (but will not be required to bring any lawsuit in connection therewith). After the Closing, Sellers will, and will cause IBS to, promptly forward to Buyer any payments on Aggregate Closing Date Accounts Receivable received by Sellers or IBS. Any collections from an account debtor will be applied to accounts receivable of such debtor in the order in which such receivables were incurred (unless such accounts receivable is being contested by the account debtor or as otherwise specifically noted on the remittance). Buyer may submit claims against the Escrow Fund with respect to any Aggregate Closing Date Accounts Receivable not collected at its face amount within one hundred eighty (180) days of the Closing Date (a “Receivables Collection Shortfall”). After disbursement of funds from the Escrow Fund in respect of a claim by Buyer involving a Receivables Collection Shortfall, Buyer will transfer, assign, and otherwise deliver (and will be deemed to have so transferred, assigned, and delivered) all title, right and interest in the uncollected Aggregate Closing Date Accounts Receivable representing the Receivables Collection Shortfall (a “Transferred Receivable”) along with all records relating thereto to Sellers. If, after transfer of any Transferred Receivable to Sellers, Buyer receives any remittance from an account debtor for such Transferred Receivable, Buyer will receive such remittance in trust for Sellers and will promptly pay over to Sellers all such remittances.

(b) After the Closing Date, Buyer will promptly forward to Sellers any invoices, bills, notices or requests for payments relating to Pre-Closing Payables. Promptly upon receipt, and in any event no later than the expiration of the period of time during which such Pre-Closing Payables may be paid by Sellers without the incurrence of any interest penalty, late fee or other charge thereon (the “Penalty Date”), Sellers will pay all such bona fide Pre-Closing Payables (it being understood that where any such Pre-Closing Payable is the subject of a bona fide good faith dispute between Sellers and the third party claiming such amount, Sellers may delay payment of such Pre-Closing Payable until such dispute is resolved). In the event Sellers fail to pay any bona fide Pre-Closing Payable (including any interest penalties, late fees or other charges thereon) within thirty (30) days after the Penalty Date (other than in the event of a bona fide good faith dispute as described above), upon thirty (30) days prior written notice to Sellers, if Buyer reasonably believes that the ongoing failure to pay such bona fide Pre-Closing Payables is reasonably likely to result in damages to the operation of the Business, then Buyer will have the right to pay such bona fide Pre-Closing Payable on behalf of Sellers (including any interest penalties, late fees or other charges thereon) and Buyer will be entitled to submit claims against the Escrow Fund in the amount of such bona fide Pre-Closing Payable (including any interest penalties, late fees or other charges thereon).

7.11 Use of Name. After the Closing, Sellers and Bruno (on their own behalf and on behalf of their Affiliates including the successors and assigns of either of the foregoing) agree that they will not commercially use the name “Action Rentals” or “Action Equipment” or any derivatives thereof or any trademarks or service marks associated therewith. Sellers and Bruno acknowledge and agree that Buyer would suffer irreparable injury, which could not be fairly remedied by money damages, in the event of a breach by Sellers or Bruno of the provisions of this Section 7.11 and that Buyer will be entitled to an injunction restraining Sellers and/or Bruno from any breach thereof.

7.12 License of Related Party Owned Real Property for Transitional Period.

(a) For the applicable License Term, each Seller that is party to a Related Party Real Property Lease grants to Buyer and its invitees, employees, customers and agents, the exclusive right and license to enter upon, to possess and to use the applicable Related Party Owned Real Property (other than 6581 Southern Blvd., West Palm Beach, Florida 33413, which location will be the subject of the New Lease) (collectively, the “Licensed Real Property”) for storage of equipment and tools, office use and any other use permitted under the applicable Related Party Real Property Lease (collectively, the “Use”).

(b) Each Seller that occupies Licensed Real Property covenants and agrees with Buyer that, following the Closing, Buyer will peaceably and quietly hold, use and enjoy such Licensed Real Property for the Use during the License Term. Each Seller that is party to a Related Party Real Property Lease relating to the Licensed Real Property represents and warrants to Buyer that such Seller is duly authorized to grant Buyer the right to use the Licensed Real Property for the Use pursuant to this Section 7.12, all without the consent, approval or joinder of any other Person except the applicable landlord.

(c) During the applicable License Term, (i) Buyer will reimburse each Seller that is a party to a Related Party Real Property Lease relating to the Licensed Real Property for the monthly rent owed for such period (pro rated for any periods during such License Term that are less than a month) under the applicable Related Party Real Property Lease, and (ii) Buyer shall have the right to use the current public utilities serving the applicable Licensed Real Property, and Buyer shall pay for and/or reimburse such Seller for all such utility services used by Buyer during the applicable License Term. For the Licensed Real Property located at 1620 Tampa East Blvd., Tampa Florida 33619 and at 3261 Phillips Highway, Jacksonville, Florida 32207, following the expiration of the applicable License Term, Buyer will continue to reimburse the applicable Seller for such locations for the monthly rent under the applicable Related Real Property Lease (but not for any utility services) until the earlier of (1) the one-year anniversary of the Closing Date and (2) the date that the applicable Licensed Real Property is sold or a new tenant other than such Seller occupies such Licensed Real Property. For the Licensed Real Property located at 3007 and 3075 NW South River Drive, Miami, Florida 33142, following the expiration of the applicable License Term, Buyer will continue to reimburse the applicable Seller for such location for the monthly rent under the applicable Related Real Property Lease (but not for any utility services) until the earlier of (I) July 31, 2023 and (II) the date that the new owner of such Licensed Real Property agrees to release the applicable Seller of its rental obligations therefor.

(d) During the applicable License Term, each Seller that is a party to a Related Party Real Property Lease relating to the Licensed Real Property will not do or permit any act which may cause the applicable Related Real Property Lease, or the rights of such Seller as lessee or tenant thereunder, to be endangered, terminated, forfeited or surrendered, or which may cause such Seller to be in default under such Related Real Property Lease.

(e) Upon the Closing, Buyer agrees to accept the Licensed Real Property and all improvements located thereon in their “AS-IS” condition as of the Closing Date; provided, that, all repair, maintenance, restoration or replacement obligations or other obligations with

respect to the Licensed Real Property identified by the applicable landlord prior to the Closing Date will be the responsibility of the applicable Seller.

(f) Buyer will have no repair, maintenance, restoration or replacement obligations or other obligations with respect to the Licensed Real Property unless such damage is caused by Buyer or by any of Buyer's invitees, employees, customers and agents following the Closing. Any such maintenance, repairs and replacements will be completed and performed by Buyer in a good and workmanlike manner and in compliance with all applicable Laws and other governmental requirements and all insurance requirements and otherwise in a manner acceptable to the applicable Seller. All costs and expenses of repairing such damage will be the responsibility of Buyer, and Buyer will, upon demand, reimburse and pay to such Seller all such costs and expenses.

7.13 PPP Loans. In connection with the Transactions and an escrow agreement to be executed by and among the applicable members of the Seller Group and the PPP Lender (the "PPP Loan Escrow Agreement"), the Seller Group (i) prior to the Closing will apply for forgiveness of the Paycheck Protection Program loans made by the PPP Lender to the Seller Group in the aggregate original principal amount of \$2,682,847 (the "PPP Loans") in accordance with the terms of such loan agreements and applicable Law and (ii) will cause, as required by applicable Law and the PPP Lender, a portion of the Purchase Price in the amount of the PPP Loan Escrow Amount, to be placed into one or more escrow accounts (collectively, the "PPP Escrow") with the PPP Lender to secure the obligations of the Seller Group under the PPP Loans until such time as (A) the date the PPP Lender receives written notice from Sellers that this Agreement has been terminated and the Transactions contemplated herein will not be consummated or (B) the date on which all obligations under the loan agreements governing the PPP Loans have been (1) forgiven in accordance with the terms of such loan agreements and applicable Law, or (2) fully satisfied by Sellers, or (3) partially forgiven in accordance with such loan agreements and applicable Law and the balance of such obligations fully repaid by Sellers or a release of funds from the PPP Escrow. For the avoidance of doubt, no obligations or Liabilities in respect of the PPP Loans are included among the Assumed Liabilities.

7.14 President Bonuses. At or promptly following the Closing, the applicable members of the Seller Group will make the payment of the President Bonuses required by the Bonus Agreements.

ARTICLE VIII - CONDITIONS PRECEDENT TO OBLIGATION TO CLOSE

8.1 Conditions to the Obligation of Buyer. The obligation of Buyer to consummate the Transactions is subject to the satisfaction, on or before the Closing Date, of each of the following conditions (any of which may be waived by Buyer, in whole or in part, but only in a writing signed by Buyer):

(a) Accuracy of Representations and Warranties of Sellers and Bruno. The representations and warranties of Seller and Bruno set forth in Article V (i) that are not Seller Core Representations will be true and correct in all respects as of the date of this Agreement and as of the Closing Date with the same force and effect as though such representations and warranties had been made on and as of the Closing Date, except where the failure of such

representations and warranties to be true and correct would not have a Material Adverse Effect; and (ii) that are Seller Core Representations will be true and correct in all material respects as of the date of this Agreement and as of the Closing Date with the same force and effect as though such representations and warranties had been made on and as of the Closing Date, other than, in each of the foregoing cases (i) and (ii), representations and warranties that speak as of a specific date which need only be true and correct or true and correct to the standard described above, as the case may be, as of such specific date;

(b) Performance of Obligations of Sellers, the Members and the Principals. All of the covenants and obligations that Sellers, the Members and the Principals are required to perform or comply with pursuant to this Agreement on or before the Closing Date will have been duly performed and complied with in all respects, except where the failure to comply with such covenants and obligations would not have a Material Adverse Effect;

(c) Compliance Certificate. Sellers will have delivered to Buyer a certificate dated as of the Closing Date, duly executed by a manager or an officer of Sellers, certifying as to the satisfaction of the conditions set forth in Sections 8.1(a) and 8.1(b);

(d) No Action. There will not be in effect, published, introduced or otherwise formally proposed any Law or Governmental Order, and there must not have been commenced or threatened any Proceeding, that in any case could (i) prohibit, make illegal or restrain the consummation of, or otherwise interfere with, any of the Transactions, (ii) cause any of the Transactions to be rescinded following consummation, (iii) limit or otherwise affect adversely the right of Buyer to own the Acquired Assets or to operate the Business, or (iv) would compel Buyer or any of its Affiliates to dispose of all or any material portion of either the Acquired Assets or the business or assets of Buyer or any of its Affiliates;

(e) No Material Adverse Effect. Since the date of this Agreement, there will not have been or occurred any event, circumstance, change or occurrence that, individually or in the aggregate, has had or could reasonably be expected to have a Material Adverse Effect;

(f) Deliveries. Sellers will have made all of the deliveries required by Section 4.2; and

(g) Governmental Authorizations; Consents. All Consents and Governmental Authorizations required to consummate the Transactions will have been obtained, including the expiration or termination of the applicable waiting period and any extensions thereof under the HSR Act.

8.2 Conditions to the Obligations of Sellers, the Members and the Principals. The obligation of Sellers, the Members and the Principals to consummate the Transactions is subject to the satisfaction, on or before the Closing Date, of each of the following conditions (any of which may be waived by Sellers and Bruno, in whole or in part, but only in a writing signed by Sellers and Bruno):

(a) Accuracy of Representations and Warranties of Buyer. The representations and warranties of Buyer set forth in Article VI (i) that are not Buyer Core Representations will be true and correct in all respects as of the date of this Agreement and as of

the Closing Date with the same force and effect as though such representations and warranties had been made on and as of the Closing Date, except where the failure of such representations and warranties to be true and correct would not have a material adverse effect on Buyer; and (ii) that are Buyer Core Representations will be true and correct in all material respects as of the date of this Agreement and as of the Closing Date with the same force and effect as though such representations and warranties had been made on and as of the Closing Date, other than, in each of the foregoing cases (i) and (ii), representations and warranties that speak as of a specific date which need only be true and correct to the standard described above, as the case may be, as of such specific date;

(b) Performance of Obligations of Buyer. All of the covenants and obligations that Buyer is required to perform or comply with pursuant to this Agreement on or before the Closing Date will have been duly performed and complied with in all respects, except where the failure to comply with such covenants and obligations would not have a material adverse effect on Buyer;

(c) Compliance Certificate. Buyer will have delivered to Sellers a certificate dated as of the Closing Date, duly executed by an officer of Buyer, certifying as to the satisfaction of the conditions set forth in Sections 8.2(a) and 8.2(b);

(d) No Action. There will not be in effect, published, introduced or otherwise formally proposed any Law or Governmental Order, and there must not have been commenced or threatened any Proceeding, that in any case could (i) prohibit, make illegal or restrain the consummation of, or otherwise interfere with, any of the Transactions, or (ii) cause any of the Transactions to be rescinded following consummation;

(e) Deliveries. Buyer will have made all of the deliveries required by Section 4.3; and

(f) HSR Act. The applicable waiting period and any extensions thereof under the HSR Act shall have expired or been terminated.

ARTICLE IX - TERMINATION

9.1 Termination. Prior to the Closing, this Agreement may be terminated:

(a) by mutual consent of Buyer and Sellers;

(b) by either Buyer or Sellers, if (i) any Governmental Authority having competent jurisdiction over any Party hereto will have issued a final Governmental Order restraining, enjoining or otherwise prohibiting the Transactions and such Governmental Order is or will have become nonappealable or (ii) there will be adopted any Law that makes the Transactions illegal or otherwise prohibited;

(c) by Buyer, if any Seller, Member or Principal has breached or failed to perform any of its, his or her representations, warranties, covenants or agreements contained in this Agreement, which breach or failure (i) would (if it occurred or was continuing as of the Closing Date) give rise to the failure of a condition set forth in Section 8.1, and (ii) is incapable

of being cured or is not cured by such Seller, Member or Principal within fifteen (15) days following receipt of written notice from Buyer of such breach or failure; provided, that the right to terminate this Agreement pursuant to this Section 9.1(c) will not be available to Buyer if Buyer is then in breach or has failed to perform any of its representations, warranties, covenants or other agreements hereunder that would (if it occurred or was continuing as of the Closing Date) give rise to the failure of a condition set forth in Section 8.2;

(d) by Sellers, if Buyer has breached or failed to perform any of its representations, warranties, covenants or agreements contained in this Agreement, which breach or failure (i) would (if it occurred or was continuing as of the Closing Date) give rise to the failure of a condition set forth in Section 8.2, and (ii) is incapable of being cured or is not cured by Buyer within fifteen (15) days following receipt of written notice from Sellers of such breach or failure; provided, that the right to terminate this Agreement pursuant to this Section 9.1(d) will not be available to Sellers if any Seller, Member or Principal is then in breach or has failed to perform any of its respective representations, warranties, covenants or other agreements hereunder that would (if it occurred or was continuing as of the Closing Date) give rise to the failure of a condition set forth in Section 8.1;

(e) by Buyer, if the Closing has not occurred on or before the Closing Date Deadline and the Closing Date has not been extended by the mutual agreement of Buyer, Sellers and Bruno; provided, however, that Buyer's right to terminate this Agreement pursuant to this Section 9.1(e) will not be available if the failure of Buyer to fulfill any of its covenants or obligations under this Agreement caused the failure of the Closing to occur on or before the Closing Date Deadline; or

(f) by Sellers, if the Closing has not occurred on or before the Closing Date Deadline; provided, however, that Sellers' right to terminate this Agreement pursuant to this Section 9.1(f) will not be available if the failure of any Seller, Member or Principal to fulfill any of its respective covenants or obligations under this Agreement caused the failure of the Closing to occur on or before the Closing Date Deadline.

In the event of termination by Buyer or Sellers pursuant to this Section 9.1 (other than Section 9.1(a)), the terminating Party will deliver prompt written notice thereof to the other Parties, specifying the provision hereof pursuant to which such termination is made.

9.2 Buyer Termination Fee. If Sellers terminate this Agreement pursuant to Section 9.1(d), the Parties agree that Sellers shall have suffered a loss and value to the Business of an incalculable nature and amount, unrecoverable in Law, and (a) Sellers shall permanently retain the Purchase Price Deposit and (b) Buyer shall pay to ARH (i) the aggregate amount of Sellers' actual, documented out-of-pocket expenses owed to their advisors (e.g., attorneys and accountants) incurred in connection with Sellers' evaluation and negotiation of the Transactions between the date of this Agreement and the effective date of such termination of this Agreement (the "Interim Fees") and (ii) an amount equal to \$4,057,500 (the "Buyer Termination Fee"), it being understood that in no event shall Buyer be required to pay the Interim Fees or the Buyer Termination Fee on more than one occasion. The Interim Fees and the Buyer Termination Fee shall be payable in immediately available funds by wire transfer no later than five (5) Business Days after such termination.

9.3 Effect of Termination. If this Agreement is terminated pursuant to Section 9.1, all obligations of the Parties under this Agreement terminate, except that (a) the provisions of Section 7.9, Section 9.2, this Section 9.3, and Article XI will remain in full force and survive any termination of this Agreement and (b) if this Agreement is terminated by a Party because of the breach of this Agreement by another Party or because one or more of the conditions to the terminating Party's obligations under this Agreement is not satisfied as a result of the other Party's failure to comply with its obligations under this Agreement, notwithstanding any payments to Sellers of the Interim Fees and the Buyer Termination Fee, the terminating Party's right to pursue all legal remedies will survive such termination unimpaired. If Buyer terminates this Agreement pursuant to Section 9.1(c), Sellers shall pay to Buyer an amount equal to the Purchase Price Deposit in immediately available funds by wire transfer no later than five (5) Business Days after such termination.

9.4 Disposition of Documents. In the event of the termination of this Agreement by either Sellers or Buyer as provided in Section 9.1, each Party, if so requested by the other Party, will (a) return promptly every document (other than documents publicly available and other than one copy thereof to be retained by outside counsel for such Party) furnished to it by the other Party in connection with the Transactions, whether so obtained before or after the execution of this Agreement, and any copies thereof which may have been made, and will cause its Representatives and others to whom such documents were furnished promptly to return such documents and any copies thereof any of them may have made, or (b) destroy such documents and cause its Representatives and such others to destroy such documents, and so certify such destruction to the other Party.

ARTICLE X - INDEMNIFICATION

10.1 Indemnification of Buyer. Subject to the limitations and other provisions of this Article X, from and after the Closing, Sellers and Bruno, jointly and severally, will indemnify and hold harmless Buyer and its Affiliates (collectively, the "Buyer Indemnified Parties") from and against any and all Losses incurred or suffered by the Buyer Indemnified Parties arising out of, relating to or resulting from any of the following:

(a) any inaccuracy in or breach of any representation or warranty set forth in Article V;

(b) the nonfulfillment, nonperformance or other breach of any covenant or agreement of Sellers, the Members and/or the Principals contained in this Agreement;

(c) the Excluded Liabilities or the Excluded Assets; and

(d) to the extent not recovered from the Escrow Fund, any Receivables Collection Shortfall.

10.2 Indemnification of Sellers. Subject to the limitations and other provisions of this Article X, from and after the Closing, Buyer will indemnify and hold harmless Sellers, the Members, the Principals and each of their respective Affiliates (collectively, the “Seller Indemnified Parties”) from and against any and all Losses incurred or suffered by the Seller Indemnified Parties arising out of, relating to or resulting from any of the following:

(a) any inaccuracy in or breach of any representation or warranty set forth in Article VI;

(b) the nonfulfillment, nonperformance or other breach of any covenant or agreement of Buyer contained in this Agreement; and

(c) the Assumed Liabilities.

10.3 Claim Procedure.

(a) A Party entitled to indemnification hereunder (the “Indemnified Party”) will promptly give written notice (the “Claim Notice”) to the Party obligated to provide indemnification hereunder (the “Indemnifying Party”) after (i) becoming aware of a Loss for which the Indemnified Party intends to seek indemnification, or (ii) receipt by the Indemnified Party of notice of any claim or the commencement of any Proceeding against it by a Person other than an Indemnified Party (a “Third Party Claim”) which may result in a Loss for which the Indemnified Party is entitled to indemnification hereunder. The Claim Notice will describe the Loss and/or the asserted Liability in reasonable detail, and will indicate the amount (estimated, if necessary) of the Loss and/or asserted Liability that has been or may be suffered by the Indemnified Party. Except as provided in Section 10.4, the failure to provide a Claim Notice will not relieve the Indemnifying Party of any Liability that it may have to any Indemnified Party, except to the extent that the Indemnifying Party demonstrates that the defense of such Third Party Claim is prejudiced by the Indemnified Party’s failure to give such Claim Notice.

(b) Within fifteen (15) days after receipt of a Claim Notice relating to a claim other than a Third Party Claim, the Indemnifying Party will deliver to the Indemnified Party a written response in which the Indemnifying Party will either: (i) agree that the Indemnified Party is entitled to receive all of the Losses at issue in the Claim Notice; or (ii) dispute the Indemnified Party’s entitlement to indemnification by delivering to the Indemnified Party a written notice (an “Objection Notice”) setting forth in reasonable detail each disputed item, the basis for each such disputed item and certifying that all such disputed items are being disputed in good faith. If the Indemnifying Party fails to take either of the foregoing actions within fifteen (15) days after delivery of the Claim Notice, then the Indemnifying Party will be deemed to have irrevocably accepted the Claim Notice and the Indemnifying Party will be deemed to have

irrevocably agreed to pay the Losses at issue in the Claim Notice. If the Indemnifying Party delivers an Objection Notice to the Indemnified Party within fifteen (15) days after delivery of the Claim Notice, then the dispute may be resolved by any legally available means consistent with the provisions of Section 11.10. If any Buyer Indemnified Party is the Indemnified Party with respect to any claim for indemnification pursuant to this Article X, the Parties will contemporaneously deliver to the Escrow Agent copies of each Claim Notice and Objection Notice in connection with such claim.

10.4 Third Party Claims.

(a) Any Indemnifying Party will have the right to contest, and defend the Indemnified Party against, any Third Party Claim with counsel of the Indemnifying Party's choice reasonably satisfactory to the Indemnified Party so long as the Indemnifying Party notifies the Indemnified Party in writing within fifteen (15) days after the Indemnified Party has given a Claim Notice that, subject to the limits set forth in this Article X, the Indemnifying Party will indemnify the Indemnified Party from and against the Losses the Indemnified Party may suffer with respect to the Third Party Claim.

(b) So long as the Indemnifying Party is conducting the defense of the Third Party Claim in accordance with Section 10.4(a): (i) the Indemnified Party may retain separate co-counsel at its sole cost and expense and participate in the defense of the Third Party Claim, (ii) the Indemnified Party will not consent to the entry of any Governmental Order or enter into any settlement with respect to the Third Party Claim without the prior written consent of the Indemnifying Party (not to be withheld, delayed or conditioned unreasonably), and (iii) the Indemnifying Party will not consent to the entry of any Governmental Order or enter into any settlement with respect to the Third Party Claim without the prior written consent of the Indemnified Party (not to be withheld, delayed or conditioned unreasonably).

(c) In the event the Indemnifying Party does not conduct the defense in accordance with Section 10.4(a), the Indemnified Party may defend against the Third Party Claim in any manner it reasonably may deem appropriate; provided, however, that (i) the Indemnifying Party may participate in such defense at its own expense, and (ii) the Indemnified Party will not consent to the entry of any Governmental Order or enter into any settlement with respect to the Third Party Claim without the prior written consent of the Indemnifying Party (not to be withheld, delayed or conditioned unreasonably).

10.5 Survival. All representations and warranties contained in this Agreement will survive the consummation of the Transactions for a period of one (1) year from the Closing Date, except that the representations and warranties set forth in Sections 5.1(a), 5.1(b), 5.2(a), 5.2(b), 5.6, 5.10(a) (collectively, the "Seller Core Representations"), 6.1 and 6.2 will survive for a period of six (6) years from the Closing Date. The survival period of each representation and warranty as provided in this Section 10.5 is hereinafter referred to as the "Indemnification Period." No Party will have any Liability with respect to claims first asserted in connection with any representation or warranty after expiration of the Indemnification Period. Covenants contemplating or involving actions to be taken, or obligations in effect, after the Closing, will survive the Closing and will continue in full force and effect after the Closing in accordance with their terms. If an Indemnified Party delivers to an Indemnifying Party, before expiration of the

Indemnification Period, a Claim Notice based upon a breach of any such representation or warranty, then the applicable representation or warranty will survive until, but only for purposes of, the resolution of the matter covered by such notice.

10.6 Limitations on Liability. The indemnification contemplated by Sections 10.1 and 10.2 will be subject to the following limitations and conditions:

(a) Sellers and Bruno will not be subject to any Liability for indemnification under Section 10.1(a) unless and until the aggregate Losses with respect to claims for indemnification under Section 10.1(a) exceed an amount equal to \$1,337,500 (the “Threshold Amount”), at which point Sellers and Bruno will be subject to Liability for indemnification under Section 10.1(a) for all Losses in excess of the Threshold Amount;

(b) Buyer will not be subject to any Liability for indemnification under Section 10.2(a) unless and until the aggregate Losses with respect to claims for indemnification under Section 10.2(a) exceed an amount equal to the Threshold Amount, at which point Buyer will be subject to Liability for indemnification under Section 10.2(a) for all such Losses; provided, however, the Threshold Amount will not be applicable with respect to claims for indemnification for any inaccuracy in or breach of the representations and warranties contained in Sections 6.1 and 6.2 (the “Buyer Core Representations”);

(c) no Party will be obligated to pay for any claims for indemnification made under this Agreement in an aggregate amount in excess of \$2,000,000; provided, however, the limitation set forth in this Section 10.6(c) (i) will not apply to Losses arising out of or based on fraud or intentional misrepresentation, and (ii) will equal \$7,500,000 with respect to (A) indemnification claims based on any inaccuracy in or breach of the Seller Core Representations or the Buyer Core Representations, as the case may be, and (B) indemnification claims based on Sections 10.1(b), 10.1(c), 10.1(d), 10.2(b) or 10.2(c);

(d) each Party’s sole and exclusive remedy from and after the Closing for any breach of this Agreement by any other Party will be as provided in this Article X; provided, however, nothing in this Agreement will be deemed to prohibit or limit (i) any Party’s right at any time, on or after the Closing, to seek or obtain recovery for Losses, or to limit any Party’s remedies, resulting from fraud or an intentional misrepresentation, or (ii) Buyer’s right to specific performance or injunctive relief in the event of a breach or threatened breach of Section 7.11;

(e) in no event will any Party be entitled to recover or make a claim for (i) consequential, special or indirect damages that are remote or speculative damages and not the natural, probable and reasonably foreseeable consequence of the event that gave rise thereto or the matter for which indemnification is sought hereunder, or (ii) punitive damages, other than, in either case (i) or (ii), to the extent actually awarded in a Third Party Claim;

(f) in the event any Losses related to a claim by a Party is covered by third party insurance, such Party agrees to use commercially reasonable efforts to seek recovery from such third party insurance and no Party will be entitled to recover from another Party (and will refund amounts received up to the amount of indemnification actually received) with respect to

the Losses to the extent that such Party received any insurance payment under such third party insurance with respect to such Losses (net of any deductible or reasonable out-of-pocket expenses incurred in obtaining such insurance proceeds); and

(g) any limitation or qualification as to “materiality”, “material” or “Material Adverse Effect” or similar qualifications set forth in the underlying representations and warranties will not be given any effect for purposes of calculating Losses or for determining whether a representation or warranty is inaccurate or has been breached in connection with any indemnifications claims made under this Article X, except to the extent that the word “materiality”, “material”, or “Material Adverse Effect” or similar qualification is used in Section 5.5.

(h) Each Party entitled to indemnification under this Article X shall take, and cause its Affiliates to take, all reasonable steps to mitigate any Loss to the extent required by Law.

10.7 Knowledge. The right to indemnification, reimbursement or other remedy based upon the representations and warranties of either Party in this Agreement will not be affected by any Knowledge acquired (or capable of being acquired) by the other Party before the execution and delivery of this Agreement with respect to the accuracy or inaccuracy of any such representation or warranty.

10.8 Release of Escrow Amount. In addition to the release of all or portions of the Escrow Fund pursuant to Sections 3.3(c) and 7.10, the Escrow Fund will be released pursuant to the terms of the Escrow Agreement as follows:

(a) In the event that, prior to the date of the expiration of the Escrow Period, a Buyer Indemnified Party is entitled to receive payments (i) as a result of Sellers’ failure to timely deliver an Objection Notice in accordance with Section 10.3(b) or (ii) under (A) any mutual agreement between the Parties or (B) any final Governmental Order, in any case, regarding claims for Losses made by such Buyer Indemnified Party pursuant to Section 10.1, then Buyer and ARH will promptly execute a joint written instruction to the Escrow Agent directing the Escrow Agent to deliver such amounts to the Buyer Indemnified Party and the remaining balance of the Escrow Fund will be retained in accordance with the terms of this Section 10.8 and the Escrow Agreement.

(b) In the event that Buyer will have made claim(s) for Losses pursuant to Section 10.1 and such indemnification claim(s) remain outstanding as of the date of the expiration of the Escrow Period, then the Escrow Fund will only be delivered to Seller to the extent that the amount of such indemnification claim(s) (the “Claim Amount”), is less than the remaining balance of the Escrow Fund, in which case, (i) within two (2) Business Days after the expiration of the Escrow Period, Buyer and Bruno will execute a joint written instruction to the Escrow Agent directing the Escrow Agent to deliver to Sellers an amount equal to the remaining balance of the Escrow Fund less the Claim Amount, (ii) Buyer and Bruno will execute any required amendments to the Escrow Agreement in order to extend the Escrow Period and (iii) the portion of the Escrow Fund equal to the Claim Amount will remain held in escrow pending the resolution of such indemnification claim. Upon resolution of such outstanding indemnification

claim(s), either by mutual agreement of the Parties or pursuant to a final Governmental Order, Buyer and Bruno will promptly execute a joint written instruction to the Escrow Agent directing the Escrow Agent to deliver to (A) Buyer any amounts which Buyer is entitled to receive as a result of the resolution of such outstanding indemnification claims(s) and (B) Sellers any remaining balance of the Escrow Fund.

(c) Interest on the Escrow Amount will be paid to Sellers and will be treated as income earned by Sellers for all federal and state income Tax purposes. With respect to Sellers' obligations to indemnify for Losses pursuant to Section 10.1, Buyer will make demand for payment under the Escrow Agreement prior to instituting any Proceedings or taking any other action against Sellers, unless the failure to institute Proceedings or take such other action will prejudice Buyer's ability to make such indemnification claim.

10.9 Manner of Payment. Buyer may set off any amount to which it may be entitled from Sellers under this Article X, following final settlement among the parties or final adjudication, as applicable, against any amount otherwise payable by Buyer to Sellers, including payments to be made under Sections 3.3(c) and 3.4(e). If Buyer does not exercise this right of set-off, Buyer will seek payment of such amount through disbursements from the Escrow Fund until such funds are exhausted and then may seek payment directly from Sellers and Bruno.

10.10 Purchase Price Adjustments. To the extent permitted by applicable Law, all Parties will treat any amounts payable under Article X as adjustments to the ARH Purchase Price, AEH Purchase Price and/or the ARTSS Purchase Price, as the case may be, for all purposes, including Tax purposes.

ARTICLE XI - GENERAL PROVISIONS

11.1 Governing Law. The Laws of the State of Florida (without giving effect to its conflicts of law principles) govern this Agreement and all matters arising out of or relating to this Agreement and the Transactions, including its negotiation, execution, validity, interpretation, construction, performance and enforcement.

11.2 Public Announcements. Prior to the Closing, no public announcement or other publicity regarding the existence of this Agreement or agreements contemplated hereby or their contents or the Transactions will be made by any Party or any of their respective Affiliates or Representatives without the prior written agreement of the other Parties as to form, content, timing and manner of distribution or publication (not to be unreasonably withheld, conditioned, or delayed). Except as required by applicable Law or as required to obtain any Consent or Governmental Authorization, Sellers will not, and will not permit their Representatives to, give notice to third parties or otherwise make any public statement or release concerning this Agreement or any of the Transactions. Following the Closing and without the prior approval of Sellers, (a) Buyer's parent company, Ashtead Group, plc ("Ashtead"), may disclose the Transactions and the ARH Purchase Price, the AEH Purchase Price and the ARTSS Purchase Price in the notes to its consolidated financial statements contained in Ashtead's quarterly and annual reports, and (b) Buyer and Ashtead may publicly discuss the Transactions in conference calls and discussions with investors and analysts from time-to-time. Notwithstanding the foregoing, (i) each Party may disclose this Agreement or the Transactions (A) as required by

Law or the rules of any stock exchange or (B) to (x) current and future representatives of such Party and its Affiliates, and (y) current and potential lenders to, investors in and purchasers of such Party and its Affiliates, and (ii) nothing in this Section 11.2 will prevent any Party from enforcing its rights hereunder.

11.3 Notices. All notices and other communications under this Agreement must be in writing and are deemed duly delivered when (a) delivered if delivered personally or by nationally recognized overnight courier service (costs prepaid), (b) sent by electronic email with confirmation of transmission by the transmitting equipment (or, the first Business Day following such transmission if the date of transmission is not a Business Day) or (c) received or rejected by the addressee, if sent by certified mail, return receipt requested; in each case to the following addresses or emails and marked to the attention of the individual (by name or title) designated below (or to such other address, email or individual as a Party may designate by notice to the other Parties):

11.4 Waivers. Except as otherwise provided in Article X, the failure of a Party at any time or times to require performance of any provision hereof or claim damages with respect thereto will in no manner affect its right at a later time to enforce the same. No waiver by a Party of any condition or of any breach of any term, covenant, representation or warranty contained in this Agreement will be effective unless in writing, and no waiver in any one or more instances will be deemed to be a further or continuing waiver of any such condition or breach in other instances or a waiver of any other condition or breach of any other term, covenant, representation or warranty.

11.5 Severability. If any term or other provision of this Agreement is determined by a court of competent jurisdiction to be invalid, illegal or incapable of being enforced by any rule of Law or public policy, all other terms, provisions and conditions of this Agreement will nevertheless remain in full force and effect. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the Parties hereto will negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible to the fullest extent permitted by applicable Law in an acceptable manner to the end that the Transactions are fulfilled to the extent possible.

11.6 Entire Agreement. This Agreement, the Seller Ancillary Agreements, the Buyer Ancillary Agreements and the Seller Disclosure Schedule constitute the full and entire understanding and agreement among the Parties with respect to the subject matter hereof and thereof and supersede any and all prior agreements, arrangements and understandings, both written and oral, with respect to the subject matter hereof and thereof.

11.7 Amendment. This Agreement may not be amended, supplemented or otherwise modified except in a written document signed by each Party to be bound by the amendment and that identifies itself as an amendment to this Agreement.

11.8 Binding Effect; Assignment. Neither this Agreement nor any of the rights, interests or obligations hereunder will be assigned, in whole or in part, by operation of Law or otherwise, by any of the Parties without the prior written consent of the other Parties; provided, however, Buyer may (a) assign this Agreement and any or all of its rights and obligations hereunder to (i) any Affiliate of Buyer provided that such assignment will not relieve Buyer of its obligations hereunder, or (ii) any purchaser of all or substantially all of its assets, and in each case, Buyer will provide Sellers notice of such assignment and (b) collaterally assign any or all of its rights and obligations hereunder to any provider of debt financing to it or any of its Affiliates. Subject to the preceding sentence, this Agreement will be binding upon, inure to the benefit of, and be enforceable by, the Parties and their respective successors and permitted assigns. Any purported assignment not permitted under this Section 11.8 will be null and void.

11.9 No Third Party Beneficiaries. Except as provided in Article X, nothing in this Agreement is intended to confer any rights or remedies, whether express or implied, on any Persons other than the Parties and their successors and permitted assigns.

11.10 Jurisdiction. Except for disputes resolved as set forth in Sections 3.3(b) and 3.4(d), the Parties hereby irrevocably submit to the exclusive jurisdiction of the federal or state courts of the State of Florida over any Proceeding arising out of or relating to this Agreement or any of the Transactions and each Party hereby irrevocably agrees that all claims in respect of such Proceeding may be heard and determined in such courts. The Parties hereby irrevocably waive any objection which they may now or hereafter have to the laying of venue of any Proceeding brought in such courts or any claim that such Proceeding brought in such courts has been brought in an inconvenient forum. Each of the Parties agrees that a judgment in such Proceeding may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by Law. Each of the Parties hereby irrevocably consents to process being served by any Party to this Agreement in any Proceeding by delivery of a copy thereof in accordance with the provisions of Section 11.3.

11.11 Language; Construction. The language used in this Agreement, the Seller Ancillary Agreements and the Buyer Ancillary Agreements is the language chosen by the Parties to express their mutual intent, and no rule of strict construction is to be applied against any Party. The Parties have participated jointly in the negotiation and drafting of this Agreement, the Seller Ancillary Agreements and the Buyer Ancillary Agreements. In the event an ambiguity or question of intent or interpretation arises, this Agreement, the Seller Ancillary Agreements and the Buyer Ancillary Agreements will be construed as if drafted jointly by the Parties, and no presumption or burden of proof will arise favoring or disfavoring any Party by virtue of the authorship of any of the provisions of this Agreement, the Seller Ancillary Agreements or the Buyer Ancillary Agreements.

11.12 Counterparts; Facsimile Signatures. The Parties may execute this Agreement in multiple counterparts, each of which constitutes an original as against the Party that signed it, and all of which together constitute one agreement. This Agreement is effective upon delivery of one executed counterpart from each Party to the other Parties. The signatures of all Parties need not appear on the same counterpart. The delivery of signed counterparts by facsimile or email transmission that includes a copy of the sending Party's signature is as effective as signing and delivering the counterpart in person.

The Escrow Agent shall be entitled conclusively to rely upon any such Order, certificate and instruction and shall have no responsibility to make any determination as to whether such Order is from a court of competent jurisdiction or is a final Order.

1.4. In the event of a Purchase Price Adjustment Amount claim or a Receivables Collection Shortfall (as defined in the Asset Purchase Agreement) claim or if Buyer has or claims to have amounts for which it is or may be entitled to indemnification under the Asset Purchase Agreement, Buyer shall deliver on or prior to the Release Date, as defined below, a written claim notice (a "Claim Notice") to Principal and the Escrow Agent. Each Claim Notice shall include a detailed description of and justification for the amount claimed (the "Claimed Amount") and payment instructions for the Claimed Amount. Provided Buyer has complied with Section 4.5 of this Agreement, the Escrow Agent shall be entitled to conclusively assume without inquiry that any Claim Notice received by the Escrow Agent was also received by Principal on the same day such Claim Notice was received by the Escrow Agent and that the description of and justification for the amount claimed in any Claim Notice received by the Escrow Agent satisfies the requirements of this Escrow Agreement and the Asset Purchase Agreement. If Principal does not, in a written notice delivered to Escrow Agent (with a copy concurrently delivered to Buyer) within 30 days after Escrow Agent's receipt of a Claim Notice, dispute all or any of the amounts set forth therein (an "Objection"), then Escrow Agent will on the second Business Day following the 30th day after its receipt of such Claim Notice distribute the Claimed Amount to Buyer pursuant to the funds transfer instructions set forth in the Claim Notice. In the event that Principal delivers to Escrow Agent a timely Objection with respect to all or any portion of a claim set forth in a Claim Notice, Escrow Agent will not distribute, and will continue to hold in the Escrow Account, the Claimed Amount, or the disputed portion thereof, as applicable (the "Unresolved Claimed Amount"), pending receipt of either (a) Joint Instructions or (b) a Final Decision. Upon receipt of Joint Instructions or a Final Decision, Escrow Agent will distribute an amount equal to the portion of the Escrow Fund that was set forth in the Joint Instructions or Final Decision, as applicable, and continue to hold any Unresolved Claimed Amount, if any, in the Escrow Account following the payment pursuant to any Joint Instructions or Final Decision, as applicable, in accordance with the terms of this Escrow Agreement. No Unresolved Claimed Amount will be subject to a future Claim Notice unless otherwise expressly set forth in a Joint Instruction.

1.5. Within two Business Day following _____ (such date being referred to herein as the "Release Date"), the Escrow Agent shall distribute to Sellers as directed by Principal an amount from the Escrow Fund equal to (a) the amount then in the Escrow Fund minus (b) the aggregate Unresolved Claimed Amount (including any Claimed Amount for which the 30-day Objection period has not passed pursuant to Section 1.4). The Unresolved Claimed Amount shall be disbursed in accordance with Section 1.3 or Section 1.4, as applicable. After all Claim Notices related to the Unresolved Claimed Amount have been resolved, any amounts remaining in the Escrow Fund shall be distributed by the Escrow Agent to Sellers in accordance with payment instructions provided to the Escrow Agent by Principal.

II. Provisions as to Escrow Agent

2.1. This Escrow Agreement expressly and exclusively sets forth the duties of the Escrow Agent with respect to any and all matters pertinent hereto, which duties shall be deemed purely ministerial in nature, and no implied duties or obligations shall be read into this Escrow Agreement against the Escrow Agent. The Escrow Agent shall in no event be deemed to be a fiduciary to any Party or any other person or entity under this Escrow Agreement. The permissive rights of the Escrow Agent to do things enumerated in this Escrow Agreement shall not be construed as duties. In performing its

duties under this Escrow Agreement, or upon the claimed failure to perform its duties, the Escrow Agent shall not be liable for any damages, losses or expenses other than damages, losses or expenses which have been finally adjudicated by a court of competent jurisdiction to have directly resulted from the Escrow Agent's willful misconduct or gross negligence. In no event shall the Escrow Agent be liable for incidental, indirect, special, consequential or punitive damages of any kind whatsoever (including but not limited to lost profits), even if the Escrow Agent has been advised of the likelihood of such loss or damage and regardless of the form of action. The Escrow Agent shall not be responsible or liable for the failure of any Party to perform in accordance with this Escrow Agreement. The Escrow Agent shall have no liability with respect to the transfer or distribution of any funds effected by the Escrow Agent pursuant to wiring or transfer instructions provided to the Escrow Agent in accordance with the provisions of this Escrow Agreement. The Escrow Agent shall not be obligated to take any legal action or to commence any proceedings in connection with this Escrow Agreement or any property held hereunder or to appear in, prosecute or defend in any such legal action or proceedings.

2.2. The Escrow Agent acts hereunder as a depository only, and is not responsible or liable in any manner whatsoever for the sufficiency, correctness, genuineness or validity of the subject matter of this Escrow Agreement or any part thereof, or of any person executing or depositing such subject matter. No provision of this Escrow Agreement shall require the Escrow Agent to risk or advance its own funds or otherwise incur any financial liability or potential financial liability in the performance of its duties or the exercise of its rights under this Escrow Agreement.

2.3. This Escrow Agreement constitutes the entire agreement between the Escrow Agent and the Parties in connection with the subject matter of this Escrow Agreement, and no other agreement entered into between the Parties, or any of them, including, without limitation, the Asset Purchase Agreement, shall be considered as adopted or binding, in whole or in part, upon the Escrow Agent notwithstanding that any such other agreement may be deposited with the Escrow Agent or the Escrow Agent may have knowledge thereof.

2.4. The Escrow Agent shall in no way be responsible for nor shall it be its duty to notify any Party or any other person or entity interested in this Escrow Agreement of any payment required or maturity occurring under this Escrow Agreement or under the terms of any instrument deposited herewith unless such notice is explicitly provided for in this Escrow Agreement.

2.5. The Escrow Agent shall be protected in acting upon any written instruction, notice, request, waiver, consent, certificate, receipt, authorization, power of attorney or other paper or document which the Escrow Agent in good faith believes to be genuine and what it purports to be, including, but not limited to, items directing investment or non-investment of funds, items requesting or authorizing release, disbursement or retainage of the subject matter of this Escrow Agreement and items amending the terms of this Escrow Agreement. The Escrow Agent shall be under no duty or obligation to inquire into or investigate the validity, accuracy or content of any such notice, request, waiver, consent, certificate, receipt, authorization, power of attorney or other paper or document. The Escrow Agent shall have no duty or obligation to make any formulaic calculations of any kind hereunder.

2.6. The Escrow Agent may execute any of its powers and perform any of its duties hereunder directly or through affiliates or agents. The Escrow Agent shall be entitled to seek the advice of legal counsel with respect to any matter arising under this Escrow Agreement and the Escrow Agent shall have no liability and shall be fully protected with respect to any action taken or omitted pursuant to the advice of such legal counsel. The Parties shall be jointly and severally liable for, and shall promptly pay, upon demand by the Escrow Agent, the reasonable and documented fees and expenses of any such legal counsel.

2.7. In the event of any disagreement between any of the Parties, or between any of them and any other person or entity, resulting in adverse claims or demands being made in connection with

the matters covered by this Escrow Agreement, or in the event that the Escrow Agent, in good faith, is in doubt as to what action it should take hereunder, the Escrow Agent may, at its option, refuse to comply with any claims or demands on it, or refuse to take any other action hereunder, so long as such disagreement continues or such doubt exists, and in any such event, the Escrow Agent shall not be or become liable in any way or to any Party or other person or entity for its failure or refusal to act, and the Escrow Agent shall be entitled to continue to refrain from acting until (i) the rights of the Parties and all other interested persons and entities shall have been fully and finally adjudicated by a court of competent jurisdiction, or (ii) all differences shall have been adjudged and all doubt resolved by agreement among all of the Parties and all other interested persons and entities, and the Escrow Agent shall have been notified thereof in writing signed by the Parties and all such persons and entities. Notwithstanding the preceding, the Escrow Agent may in its discretion obey the order, judgment, decree or levy of any court, whether with or without jurisdiction, or of an agency of the United States or any political subdivision thereof, or of any agency of any State of the United States or of any political subdivision of any thereof, and the Escrow Agent is hereby authorized in its sole discretion to comply with and obey any such orders, judgments, decrees or levies. The rights of the Escrow Agent under this sub-paragraph are cumulative of all other rights which it may have by law or otherwise.

In the event of any disagreement or doubt, as described above, the Escrow Agent shall have the right, in addition to the rights described above and at the election of the Escrow Agent, to tender into the registry or custody of any court having jurisdiction, all funds and property held under this Escrow Agreement, and the Escrow Agent shall have the right to take such other legal action as may be appropriate or necessary, in the sole discretion of the Escrow Agent. Upon such tender, the Parties agree that the Escrow Agent shall be discharged from all further duties under this Escrow Agreement; provided, however, that any such action of the Escrow Agent shall not deprive the Escrow Agent of its compensation and right to reimbursement of expenses hereunder arising prior to such action and discharge of the Escrow Agent of its duties hereunder.

2.8. The Parties jointly and severally agree to indemnify, defend and hold harmless the Escrow Agent and each of the Escrow Agent's officers, directors, agents and employees (the "Indemnified Parties") from and against any and all losses, liabilities, claims, damages, expenses and costs (including, without limitation, attorneys' fees and expenses) of every nature whatsoever (collectively, "Losses") which any such Indemnified Party may incur and which arise directly or indirectly from this Escrow Agreement or which arise directly or indirectly by virtue of the Escrow Agent's undertaking to serve as Escrow Agent hereunder; provided, however, that no Indemnified Party shall be entitled to indemnity with respect to Losses that have been finally adjudicated by a court of competent jurisdiction to have been directly caused by such Indemnified Party's gross negligence or willful misconduct. The provisions of this section shall survive the termination of this Escrow Agreement and any resignation or removal of the Escrow Agent.

2.9. Any entity into which the Escrow Agent may be merged or converted or with which it may be consolidated, or any entity to which all or substantially all the escrow business of the Escrow Agent may be transferred, shall be the Escrow Agent under this Escrow Agreement without further act.

2.10. The Escrow Agent may resign at any time from its obligations under this Escrow Agreement by providing written notice to the Parties. Such resignation shall be effective on the date set forth in such written notice, which shall be no earlier than 30 days after such written notice has been furnished. In such event, the Parties shall promptly appoint a successor escrow agent. In the event no successor escrow agent has been appointed on or prior to the date such resignation is to become effective, the Escrow Agent shall be entitled to tender into the custody of any court of competent jurisdiction all funds and other property then held by the Escrow Agent hereunder and the Escrow Agent shall thereupon be relieved of all further duties and obligations under this Escrow Agreement; provided, however, that any such action of the Escrow Agent shall not deprive the Escrow Agent of its compensation and right to reimbursement of expenses hereunder arising prior

to such action and discharge of the Escrow Agent of its duties hereunder. The Escrow Agent shall have no responsibility for the appointment of a successor escrow agent hereunder.

2.11 The Escrow Agent and any director, officer or employee of the Escrow Agent may become pecuniarily interested in any transaction in which any of the Parties may be interested and may contract and lend money to any Party and otherwise act as fully and freely as though it were not escrow agent under this Escrow Agreement. Nothing herein shall preclude the Escrow Agent from acting in any other capacity for any Party.

III. Compensation of Escrow Agent

3.1. The Parties jointly and severally agree to pay to the Escrow Agent compensation, and to reimburse the Escrow Agent for costs and expenses, all in accordance with the provisions of **Exhibit B** hereto, which is incorporated herein by reference and made a part hereof. All amounts payable to the Escrow Agent in accordance with **Exhibit B** shall be borne 50% by Buyer and 50% by Principal. The fee agreed upon for the services rendered hereunder is intended as full compensation for the Escrow Agent's services as contemplated by this Escrow Agreement; provided, however, that in the event that the conditions for the disbursement of funds are not fulfilled, or the Escrow Agent renders any service not contemplated in this Escrow Agreement, or there is any assignment of interest in the subject matter of this Escrow Agreement or any material modification hereof, or if any material controversy arises hereunder, or the Escrow Agent is made a party to any litigation pertaining to this Escrow Agreement or the subject matter hereof, then the Escrow Agent shall be compensated for such extraordinary services and reimbursed for all reasonable and documented costs and expenses, including reasonable attorneys' fees and expenses, occasioned by any such delay, controversy, litigation or event. The Escrow Agent shall have, and is hereby granted, a prior lien upon and first priority security interest in the Escrow Fund (and the earnings and interest accrued thereon) with respect to its unpaid fees, non-reimbursed expenses and unsatisfied indemnification rights, superior to the interests of any other persons or entities and without judicial action to foreclose such lien and security interest, and the Escrow Agent shall have and is hereby granted the right to set off and deduct any unpaid fees, non-reimbursed expenses and unsatisfied indemnification rights from the Escrow Fund (and the earnings and interest accrued thereon). The provisions of this section shall survive the termination of this Escrow Agreement and any resignation or removal of the Escrow Agent.

IV. Miscellaneous

4.1. If money is a part of the subject matter of this Escrow Agreement, then the Escrow Agent shall make no disbursement, investment or other use of funds until and unless it has collected funds. The Escrow Agent shall not be liable for collection items until the proceeds of the same in actual cash have been received or the Federal Reserve has given the Escrow Agent credit for the funds.

4.2. The Escrow Agent shall invest all funds held pursuant to this Escrow Agreement in the Truist Institutional Preferred Deposit Option. The investments in the Truist Institutional Preferred Deposit Option are insured, subject to the applicable rules and regulations of the Federal Deposit Insurance Corporation (the "FDIC"), in the standard FDIC insurance amount of \$250,000, including principal and accrued interest, and are not secured. The Truist Institutional Preferred Deposit Option is more fully described in materials which have been furnished to the Parties by the Escrow Agent, and the Parties acknowledge receipt of such materials from the Escrow Agent. Instructions to make any other investment must be in writing and signed by each of the Parties. The Parties recognize and agree that the Escrow Agent will not provide supervision, recommendations or advice relating to the investment of moneys held hereunder or the purchase, sale, retention or other disposition of any investment, and the Escrow Agent shall not be liable to any Party or any other person or entity for any loss incurred in connection with any such investment. The Escrow Agent is hereby authorized to execute purchases and sales of investments through the facilities of its own trading or capital

markets operations or those of any affiliated entity. The Escrow Agent or any of its affiliates may receive compensation with respect to any investment directed hereunder including without limitation charging any applicable agency fee in connection with each transaction. The Escrow Agent shall use its best efforts to invest funds on a timely basis upon receipt of such funds; provided, however, that the Escrow Agent shall in no event be liable for compensation to any Party or other person or entity related to funds which are held un-invested or funds which are not invested timely. The Escrow Agent is authorized and directed to sell or redeem any investments as it deems necessary to make any payments or distributions required under this Escrow Agreement. Any investment earnings and income on the Escrow Fund shall not become part of the Escrow Fund and shall be disbursed in accordance with Section 4.4.

4.3 The Escrow Agent shall provide monthly reports of transactions and holdings to the Parties as of the end of each month, at the address provided by the Parties in Section 4.5.

4.4 The Parties agree that all interest and income from the investment of the Escrow Fund shall be reported as having been earned by Sellers as of the end of each calendar year whether or not such income was disbursed during such calendar year and to the extent required by the Internal Revenue Service. On or before the execution and delivery of this Escrow Agreement, each of the Parties shall provide to the Escrow Agent a completed Form W-9 or Form W-8, whichever is appropriate. Notwithstanding anything to the contrary herein provided, except for the delivery of Form 1099's, the Escrow Agent shall have no duty to prepare or file any Federal or state tax report or return with respect to any funds held pursuant to this Escrow Agreement or any income earned thereon. With respect to the preparation and delivery of Form 1099's and all matters pertaining to the reporting of earnings on funds held under this Escrow Agreement, the Escrow Agent shall be entitled to request and receive written instructions from Principal, and the Escrow Agent shall be entitled to rely conclusively and without further inquiry on such written instructions. The Parties, jointly and severally, shall indemnify, defend and hold the Escrow Agent harmless from and against any tax, late payment, interest, penalty or other cost or expense that may be assessed against the Escrow Agent on or with respect to the Escrow Fund or any earnings or interest thereon unless such tax, late payment, interest, penalty or other cost or expense was finally adjudicated by a court of competent jurisdiction to have been directly caused by the gross negligence or willful misconduct of the Escrow Agent. The indemnification provided in this section is in addition to the indemnification provided in Section 2.8 and shall survive the resignation or removal of the Escrow Agent and the termination of this Escrow Agreement.

4.5. Any notice, request for consent, report, or any other communication required or permitted in this Escrow Agreement shall be in writing and shall be deemed to have been given when delivered (i) personally, (ii) by facsimile transmission with written confirmation of receipt, (iii) by electronic mail to the e-mail address given below, and written confirmation of receipt is obtained promptly after completion of the transmission, (iv) by overnight delivery with a reputable national overnight delivery service, or (v) by United States mail, postage prepaid, or by certified mail, return receipt requested and postage prepaid, in each case to the appropriate address set forth below or at such other address as any party hereto may have furnished to the other parties hereto in writing :

Any party hereto may unilaterally designate a different address by giving notice of each change in the manner specified above to each other party hereto. Notwithstanding anything to the contrary herein provided, the Escrow Agent shall not be deemed to have received any notice, request, report or other communication hereunder prior to the Escrow Agent's actual receipt thereof.

4.6. This Escrow Agreement is being made in and is intended to be construed according to the laws of the State of Florida, without regard to conflict of laws principles. Except as permitted in Section 2.9, neither this Escrow Agreement nor any rights or obligations hereunder may be assigned by any party hereto without the express written consent of each of the other parties hereto. This Escrow Agreement shall inure to and be binding upon the Parties and the Escrow Agent and their respective successors, heirs and permitted assigns.

4.7. The terms of this Escrow Agreement may be altered, amended, modified or revoked only by an instrument in writing signed by all the Parties and the Escrow Agent.

4.8. If any provision of this Escrow Agreement shall be held or deemed to be or shall in fact be illegal, inoperative or unenforceable, the same shall not affect any other provision or provisions herein contained or render the same invalid, inoperative or unenforceable to any extent whatsoever.

4.9. No party to this Escrow Agreement shall be liable to any other party hereto for losses due to, or if it is unable to perform its obligations under the terms of this Escrow Agreement because of, acts of God, fire, war, terrorism, floods, strikes, electrical outages, equipment or transmission failure, or other causes reasonably beyond its control.

4.10 This Escrow Agreement shall terminate on the date on which all of the funds and property held by the Escrow Agent under this Escrow Agreement have been disbursed. Upon the termination of this Escrow Agreement and the disbursement of all of the funds and property held hereunder, this Escrow Agreement shall be of no further effect except that the provisions of Sections 2.8, 3.1 and 4.4 shall survive such termination.

4.11. All titles and headings in this Escrow Agreement are intended solely for convenience of reference and shall in no way limit or otherwise affect the interpretation of any of the provisions hereof.

4.12. This Escrow Agreement may be executed in one or more counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument. The exchange of copies of this Escrow Agreement and of signature pages by facsimile or electronic (*i.e.*, PDF) transmission will constitute effective execution and delivery of this Escrow Agreement and may be used instead of the original Escrow Agreement for all purposes.

4.13. Contemporaneously with the execution and delivery of this Escrow Agreement and, if necessary, from time to time thereafter, each of the Parties shall execute and deliver to the Escrow Agent a Certificate of Incumbency substantially in the form of **Exhibit A-1** and **A-2** hereto, as applicable (a "Certificate of Incumbency"), for the purpose of establishing the identity and authority of persons entitled to issue notices, instructions or directions to the Escrow Agent on behalf of each such party. Until such time as the Escrow Agent shall receive an amended Certificate of Incumbency replacing any Certificate of Incumbency theretofore delivered to the Escrow Agent, the Escrow Agent shall be fully protected in relying, without further inquiry, on the most recent Certificate of Incumbency furnished to the Escrow Agent. Whenever this Escrow Agreement provides for joint written notices, joint written instructions or other joint actions to be delivered to the Escrow Agent, the Escrow Agent shall be fully protected in relying, without further inquiry, on any joint written notice, instructions or action executed by persons named in such Certificate of Incumbency.

The Administration Fee includes providing routine and standard services of an Escrow Agent. WHEREAS, the Purchase Agreement provides for the execution and delivery of this Agreement by the Restricted Party as a condition precedent to the obligation of Buyer to consummate the Transaction under the Purchase Agreement and related agreements; and

WHEREAS, the Restricted Party acknowledges that Buyer would not enter into the Purchase Agreement or consummate the Transaction without the Restricted Party’s execution of this Agreement.

NOW, THEREFORE, in consideration of the foregoing recitals and the mutual agreements and covenants contained herein, and for other good and valuable consideration, the receipt, adequacy, and legal sufficiency of which are hereby acknowledged, intending to be legally bound, the parties hereby agree as follows:

ARTICLE 1

1.1 Defined Terms. For purposes of this Agreement, the following terms will have the meanings ascribed to such terms in this Section 1.1:

(a) “Restricted Business” means the rental and sale of construction equipment, machinery, and related parts and tools, and the provision of services related thereto as conducted by Sellers immediately prior to the date hereof.

(b) “Restricted Period” means the period commencing on the Effective Date and expiring on the fifth (5th) anniversary of the Effective Date.

(c) “Restricted Territory” means

(i) the State of Florida; and

(ii) to the extent not covered in Section 1.1(c)(i), the geographic areas within a one hundred fifty (150) mile radius of:

- (A) 3261 Philips Highway, Jacksonville, Florida 32207;
- (B) 9521 & 9525 Pine Cone Drive, Cantonment, Florida 32533;
- (C) 4255 Highway 42, Conley, Georgia 30288;

- (E) 13 Center Road, Cartersville, Georgia 30120; and
- (F) 400 Garrett Road, Slidell, Louisiana 70458.

1.2 Capitalized Terms. Capitalized terms not otherwise defined in this Agreement will have the respective meanings ascribed to them in the Purchase Agreement.

1.3 Interpretation. The use of the masculine, feminine, or neuter gender or the singular or plural form of words used herein (including defined terms) will not limit any provision of this Agreement. The terms “include,” “includes” and “including” are not intended to be limiting and will be deemed to be followed by the words “without limitation” (whether or not they are in fact followed by such words) or words of like import. Reference to a particular party includes such party’s successors and assigns to the extent such successors and assigns are permitted by the terms of any applicable agreement. The Article, Section and paragraph headings contained in this Agreement are for reference purposes only and will not affect in any way the meaning or interpretation of this Agreement. Except as expressly provided to the contrary, references to Articles, Sections, paragraphs or clauses will refer to those portions of this Agreement.

ARTICLE 2

2.1 Covenant Not to Compete. The Restricted Party hereby grants to Buyer a covenant not to compete (collectively, the “Covenant”) on the terms and conditions set forth in this Article 2.

2.2 No Competition with Buyer. The Restricted Party covenants and agrees that, for and during the Restricted Period, the Restricted Party will not, directly or indirectly, engage in or carry on the Restricted Business in the Restricted Territory, other than as a consultant of Buyer, whether individually or in partnership or association with any one or more Persons, as a principal, partner, shareholder, employee, officer, director, agent, consultant, or in any other capacity; provided, however, that nothing in this Section 2.2 will preclude the Restricted Party from holding (solely as a passive investment) not more than three percent (3%) of the outstanding shares of a publicly traded company engaged in business activities that would otherwise be prohibited by this Section 2.2.

2.3 No Interference with Buyer. The Restricted Party covenants and agrees that, for and during the Restricted Period, the Restricted Party will not, directly or indirectly, contact,

solicit or communicate with (a) any Person that was a customer of Sellers at any time during the twelve (12) month period immediately preceding the Effective Date for the purpose of (i) other than as a consultant of Buyer, offering, selling, licensing or providing the same or substantially similar products or services offered and/or provided to such customer by Buyer or its Affiliates in conducting the Restricted Business, (ii) other than as a consultant of Buyer, influencing such customer's decision on whether to purchase or use such products or services offered by Buyer or its Affiliates, or (iii) negatively and adversely interfering with any relationship between Buyer or its Affiliates and such customer, or (b) any Person that was a supplier, licensee, licensor or other potential business relation of Sellers at any time during the twelve (12) month period immediately preceding the Effective Date for the purpose of (i) inducing or attempting to induce such Person to cease doing business with Buyer or its Affiliates, or (ii) in any way interfering with the relationship between any such supplier, licensee, licensor or business relation and Buyer or its Affiliates, including, but not limited to, making any negative statements or communications about the Buyer or its Affiliates.

2.4 No Hire of Employees. The Restricted Party covenants and agrees that, for and during the Restricted Period, the Restricted Party will not (a) employ any individual that was an employee of Sellers as of the Closing and became an employee of Buyer in connection with the Transaction ("Restricted Employee") or (b) take any actions for or on behalf of any other Person to assist in the employment, solicitation, or recruiting of any Restricted Employee.

2.5 No Financing of a Competing Business. The Restricted Party covenants and agrees that, for and during the Restricted Period, the Restricted Party will not, directly or indirectly, lend money to, guarantee the lending of money to, or otherwise arrange for or promote the financing of the Restricted Business in the Restricted Territory; provided, however, that nothing in this Section 2.5 will preclude the Restricted Party from holding (solely as a passive investment) not more than three percent (3%) of the outstanding shares of a publicly traded company engaged in business activities that would otherwise be prohibited by this Section 2.5.

2.6 No Violation of Public Policy. The Restricted Party and Buyer expressly agree and acknowledge that it is not their intention that the Covenant violate any public policy or statutory or common law. If a court of competent jurisdiction renders a ruling (sustained on appeal, if any) holding that any one or more of the provisions of the Covenant, including the stated term and geographic coverage of the Covenant, constitute an unreasonable restriction, then the parties specifically agree that the Covenant will not be rendered void but will apply to such extent and as to such time period and geographic areas as the court may determine constitutes a reasonable restriction under the circumstances.

2.7 Series of Separate Covenants. Without limiting the generality of Section 2.6, the parties specifically intend that the Covenant will be construed as a series of separate covenants for each distinct geographic area contained within the Restricted Territory. Except for its respective geographic coverage, each and every such separate covenant will be deemed identical in terms to the Covenant and if any one or more of such separate covenants are held by a court of competent jurisdiction (sustained on appeal, if any) to be unenforceable, then each such unenforceable covenant will be deemed eliminated from the Covenant to the extent necessary to permit the remaining separate covenants to be enforced.

2.8 Acknowledgement. With respect to this Article 2, Buyer and the Restricted Party affirm that it is their intention that the Restricted Party's activities are restricted for a period of five (5) years following the Effective Date. The provisions calling for a "look back" of twelve (12) months prior to the Effective Date contained in Section 2.3 are intended solely as a means of identifying customers, suppliers or other actual or potential business relationships to which such restrictions apply and is not intended, nor will it, under any circumstances, be construed, to define the length or term of the Restricted Period.

ARTICLE 3

3.1 No Disclosure of Confidential Information. The Restricted Party covenants and agrees that the Restricted Party will not divulge, communicate, or use to the disadvantage of Buyer or any its Affiliates, any confidential information related to the business of Sellers, including, without limitation, financial information, personnel records, trade secrets, know-how, technical data, client lists, client information, pricing information, licensing, and sublicensing arrangements, and business relationships utilized in the business of Sellers. Notwithstanding anything to the contrary contained in this Section 3.1, the Restricted Party will not be under any obligation to maintain the confidentiality of any information which: (a) is or becomes part of the public domain through no act or omission attributable to the Restricted Party; (b) is required by law to be disclosed; provided, however, that if required by law to be disclosed, the Restricted Party will provide Buyer with prompt notice of such requirement so that Buyer may seek an appropriate protective order; or (c) the Restricted Party receives from any third party who is not under any obligation to maintain the confidentiality of any such information.

ARTICLE 4

4.1 Consideration. The consideration for the Covenant is Buyer's entering into and performing its obligations under the Purchase Agreement and related agreements, including, the consummation of the Transaction, and a portion of the purchase price thereunder allocated thereto.

ARTICLE 5

5.1 Equitable Remedies. The Restricted Party expressly acknowledges and agrees that (a) a remedy at law in the event of an actual or threatened breach of this Agreement by the Restricted Party is not adequate and Buyer will be entitled in the event of such a breach to an injunction and other equitable remedies as a matter of law, and (b) recourse to any remedy whether at law or in equity will not constitute an exclusive election of remedies by Buyer that precludes Buyer from seeking other remedies or any combination of remedies as Buyer may determine to be appropriate under the circumstances surrounding such actual or threatened breach. Buyer will be entitled to seek immediate injunctive relief from the Restricted Party for a breach or threatened breach of Article 2 or Article 3 hereof by the Restricted Party. In the event that a court awards injunctive relief to Buyer, the Restricted Period will not run during any period of time during which the Restricted Party has been in violation of the Covenant.

ARTICLE 6

6.1 Successors and Assigns. This Agreement will be binding upon and will inure to the benefit of Buyer and the Restricted Party and their respective successors, permitted assigns, and legal representatives of every kind, character or nature. Notwithstanding the foregoing, the Restricted Party may not assign the Restricted Party's rights or obligations under this Agreement, by operation of law or otherwise. Any attempted assignment by the Restricted Party in violation of this Section 6.1 will be void.

6.2 Governing Law. This Agreement and the rights and obligations of the parties will be governed by, and construed and enforced in accordance with, the internal laws of the State of Florida, without regard to conflicts of law principles that would require application of any other law.

6.3 Jurisdiction and Venue. The parties agree that any action, special proceeding, or other proceeding with respect to this Agreement will be brought exclusively in the federal or state courts of the State of Florida. Buyer and the Restricted Party irrevocably consent to the exclusive jurisdiction of the federal and state courts of the State of Florida and irrevocably waive any objection, including an objection or defense based on lack of personal jurisdiction, improper venue or *forum non conveniens*, which any such party may now or hereafter have to the bringing of any action or proceeding in connection with this Agreement in a court located in the State of Florida.

6.4 Entire Agreement. This Agreement and the Purchase Agreement constitute the full and entire understanding and agreement between Buyer and the Restricted Party with respect to the subject matter hereof and supersede any and all prior agreements, arrangements and understandings, both written and oral, with respect to the subject matter hereof.

6.5 Attorneys' Fees and Costs. In the event that any legal proceeding concerning the enforcement and interpretation of the provisions of this Agreement is instituted, the prevailing party in such proceeding will be entitled to recover its reasonable attorneys' fees and other expenses related to such proceeding, in addition to any other relief to which it may be entitled.

6.6 Language; Construction. The language used in this Agreement is the language chosen by the parties to express their mutual intent, and no rule of strict construction is to be applied against any party. The parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement will be construed as if drafted jointly by the parties, and no presumption or burden of proof will arise favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Agreement.

6.7 Waivers. The failure of a party at any time or times to require performance of any provision hereof or claim damages with respect thereto will in no manner affect its right at a later time to enforce the same. No waiver by a party of any condition or of any breach of any term, covenant, representation or warranty contained in this Agreement will be effective unless in writing, and no waiver in any one or more instances will be deemed to be a further or continuing

waiver of any such condition or breach in other instances or a waiver of any other condition or breach of any other term, covenant, representation or warranty.

6.8 Notices. Section 11.3 (Notices) of the Purchase Agreement will govern all notices and other communications required or permitted hereunder.

6.9 Amendment. This Agreement may be amended, modified or supplemented only in a writing signed by Buyer and the Restricted Party.

6.10 Counterparts; Facsimile Signatures. This Agreement may be executed in any number of counterparts, by original, facsimile, electronic, or .pdf file signatures, each of which will be deemed an original, but all of which taken together will constitute one and the same instrument.

LEASE AGREEMENT

This Lease Agreement (this "Lease") is made and entered into as of the Effective Date by and between Landlord and Tenant. The above Key Provisions Summary and the exhibits attached hereto are a part of this Lease.

ARTICLE 1. DEMISE, DESCRIPTION, TERM AND USE

1.01 Landlord hereby leases to Tenant, and Tenant hereby leases from Landlord, the Premises, together with all improvements thereon and all rights, easements and privileges appurtenant to, or benefiting, the Premises, all upon the terms and conditions set forth in this Lease. The Term of this Lease shall commence on the Effective Date and shall end on the Expiration Date, subject to Tenant's right to extend the Term for the Renewal Terms pursuant to Article 2 below and subject to any earlier termination of this Lease pursuant to the terms of this Lease. During the Term, Tenant may use the Premises for all or any of the Permitted Use, and Tenant may, from time to time in Tenant's discretion, cease business operations on the Premises.

ARTICLE 2. OPTION TO RENEW AND HOLD OVER

2.01 Tenant shall have the option to extend the Term (and the Expiration Date) for the Renewal Terms, provided that (a) Tenant exercises each Renewal Term by delivering to Landlord notice of such exercise at least one hundred eighty (180) days prior to the end of the then current Term, and (b) Tenant is not in default under this Lease beyond all applicable notice and cure periods at the time Tenant exercises such Renewal Term. If Tenant exercises a Renewal Term, then such Renewal Term shall be upon the same terms and conditions contained in this Lease, except as otherwise set forth in this Lease. "Term" shall mean and include the Initial Term and any Renewal Terms exercised by Tenant pursuant to this Section 2.01.

2.02 If Tenant holds over on the Premises beyond the expiration of the Term, without any agreement in writing between Landlord and Tenant with respect thereto, then Tenant shall be deemed a tenant at sufferance, and, after acceptance of Rent by Landlord, Tenant shall be deemed a month-to-month tenant terminable by either party upon thirty (30) days prior written notice to the other party. Such month-to-month tenancy shall be subject to the terms of this Lease, provided Base Rent shall be one hundred fifty percent (150%) of the Base Rent that was payable during the last month of the Term (which may be a Renewal Term, as applicable).

ARTICLE 3. RENT

3.01 Commencing as of the Effective Date and continuing until the expiration or earlier termination of this Lease, Tenant shall pay Landlord Base Rent for the Premises as set forth in the Key Provisions Summary. Such Base Rent shall be payable in equal monthly installments, in advance, on the first day of each calendar month, and such monthly rent shall be prorated on a per diem basis for any period of less than a month. Base Rent shall be paid on a monthly basis. Tenant shall have the option of paying rent via check or via ACH, and if by ACH, Landlord shall complete and execute any forms required by Tenant in connection therewith. "Additional Rent" shall mean all amounts payable by Tenant under this Lease other than Base Rent. Any payment of Base Rent or Additional Rent required to be made by Tenant under the provisions of this Lease not made by Tenant when and as due shall accrue interest at the rate of twelve percent (12%) per annum or the maximum interest rate permitted by law, whichever is lower ("**Lease Interest Rate**") computed from the date when the particular amount became due to the date of payment thereof to Landlord or Tenant (as applicable).

3.02 Prior to Landlord's execution of this Lease and prior to Tenant being obligated to pay any rent to Landlord, Landlord shall complete, execute and deliver to Tenant a W-9 form for Landlord (form attached hereto as Exhibit D). Any successor to Landlord shall also immediately complete, execute and deliver to Tenant a W-9 form for such successor. If Landlord is more than one person or entity, then Landlord agrees that (a) any such person or entity, acting alone and without the joinder or approval of the other person or entity, may execute any amendment or other document relating to this Lease or may provide any notice or approval under this Lease and such execution, notice or approval shall fully bind Landlord and shall not require the joinder or approval of the other persons or entities, (b) Tenant shall only be required to pay and file a 1099 against the person or entity that files a W-9 with Tenant and any further division of funds shall be Landlord's responsibility, and (c) all such persons and entities shall be jointly and severally liable and responsible for all of the liabilities, obligations and agreements of Landlord under this Lease.

ARTICLE 4. TAXES

4.01 Landlord represents and warrants to Tenant that (a) the Land is all of tax parcel number [REDACTED] (the "Tax Parcel"), and (b) there is no other or additional property (other than the Premises) included within such tax parcel number. Commencing as of the Effective Date and continuing during the remainder of the Term, Tenant shall pay, prior to delinquency and to the applicable taxing authority, all real estate taxes which are levied on and assessed against the Premises for periods from and after the Effective Date and during the remainder of the Term. During the first and last years of the Term, Tenant shall pay Tenant's prorated share of the real estate taxes (based on a 365 day year, after the Effective Date and before the Expiration Date) to Landlord within twenty (20) days following receipt of Landlord's invoice, and Landlord shall pay, prior to delinquency, the real estate taxes for such first and last years of the Term. Landlord shall forward to Tenant complete copies of all tax bills, statements and invoices for such real estate taxes within ten (10) days of Landlord's receipt of such tax bills, statements and invoices. Provided that Landlord timely delivers to Tenant such bill, statement or invoice within such ten (10) day period, Tenant shall be responsible for any interest, penalties and late charges as a result of Tenant's delinquent payment of such bill, statement or invoice. Upon Landlord's request, Tenant shall promptly deliver to Landlord evidence of Tenant's payment of real estate taxes as required by this Section 4.01. If real estate taxes are payable to any taxing authority for any tax year in installments, then the amount payable by Tenant hereunder shall be payable in similar installments. Tenant shall also pay all taxes levied upon Tenant's personal property located on the Premises.

4.02 Tenant may, acting in good faith, contest or appeal the amount or validity of any real estate taxes in its own name or Landlord's name, and Landlord shall, at no out-of-pocket cost to Landlord, promptly and reasonably cooperate with Tenant in any such contest or appeal (including executing any applications or agreements in connection therewith).

4.03 As used in this Lease, "real estate taxes" shall mean all governmental taxes, assessments (special, general or otherwise, foreseen or unforeseen), fees and all other governmental charges, whether federal, state, county, or municipal, assessed by taxing districts or authorities, whether presently taxing, subsequently created or otherwise, including any rent tax imposed on the rents payable under this Lease. If any governmental authority imposes, assesses or levies any other tax upon Landlord as a substitute in whole or in part for any real estate taxes or assessments, the substitute tax shall be deemed to be "real estate taxes." Notwithstanding anything contained in this Article 4 to the contrary, Tenant shall not be required to pay (and real estate taxes shall not include) (i) any estate, inheritance, succession or transfer tax which may be payable on account of Landlord's ownership of the Premises; (ii) any franchise, withholding, gift, succession, excess profits, corporate, income, margin or capital tax; (iii) any rates, assessments or charges levied, assessed or charged against or in respect of any other tax or impost of a personal nature charged to or levied upon the Landlord, or (iv) any payments on account of principal and interest or in respect of any financing arranged by the Landlord and/or secured against or charging any interest of the Landlord in the Premises. In addition, any taxes, assessments or charges which may be payable in installments shall be paid in that manner, and Tenant shall only be responsible for Tenant's share of each installment coming due during the Term.

4.04 If Tenant fails to pay any real estate taxes prior to delinquency and if such failure continues for more than ten (10) days from the date of Tenant's receipt of written notice thereof from Landlord, then Landlord may, as its sole remedy, pay such delinquent real estate taxes, in which case Tenant shall, within twenty (20) days of receipt of notice from Landlord, reimburse Landlord for the amount of the real estate taxes paid by Landlord and any interest, penalties and late charges assessed as a result of such late payment.

ARTICLE 5. DESTRUCTION OF PREMISES

5.01 If all or any part of the Premises is destroyed or damaged by fire, tornado or other casualty such that the damage cannot reasonably be repaired and restored within one hundred eighty (180) days from the date of the commencement of construction (as reasonably determined by Tenant), then Tenant shall have the right to terminate this Lease upon written notice given to Landlord within sixty (60) days of the date of such damage, in which case this Lease shall terminate as of the date of Landlord's receipt of said termination notice from Tenant. In addition, if either (i) all or any part of the Premises is destroyed or damaged by fire, tornado or other casualty during the last twelve (12) months of the Term and Tenant reasonably determines that it would take more than thirty (30) days to

restore such damage from the commencement of construction, or (ii) any portion of the Premises is destroyed or damaged by fire, tornado or other casualty at any time during the Term of this Lease and Tenant is unable, within ninety (90) days after such damage occurred and after using good faith efforts to obtain such permits, to secure a building permit and all other required governmental approvals for Tenant to commence and complete the repair and restoration of all such damage, then, in any such event, Tenant shall have the right to terminate this Lease upon written notice given to Landlord within sixty (60) days of the date of such damage with respect to subsection (i) and within thirty (30) days after expiration of such ninety (90) day period with respect to subsection (ii), in which case this Lease shall terminate as of the date of Landlord's receipt of said termination notice from Tenant.

5.02 If, during the Term, the Premises is destroyed or damaged by fire or other insured casualty and this Lease is not terminated pursuant to Section 5.01, then Tenant shall diligently proceed to repair such damage to the condition (or substantially the condition) of the Premises prior to the casualty, and the rent payable hereunder shall equitably abate on a percentage basis based on the amount of usable space within the Building from the date of such damage until the date Tenant completes all such rebuilding, restorations and repairs; provided, however, with respect to any particular casualty, in no event shall Rent abate for a period of more than one (1) year. Landlord shall have the right to review and approve plans and specifications for any such repair or restoration work, which approval shall not be unreasonably withheld, conditioned or delayed.

5.03 The parties shall cooperate with each other with respect to efforts to collect any and all insurance proceeds payable on account of such damage or destruction. In the event this Lease is not terminated by Tenant pursuant to Section 5.01 above, all such insurance proceeds shall be paid to Tenant to repair and restore the damage as (and to the extent) required by this Section 5.02, and Landlord shall execute all instruments, assignments and documents reasonably requested by Tenant or Tenant's insurance company to cause all such insurance proceeds to be delivered and paid to Tenant. In the event this Lease is terminated by Tenant pursuant to Section 5.01 above, all such insurance proceeds shall be paid to Landlord, and Tenant shall execute all instruments, assignments and documents reasonably requested by Landlord or Tenant's insurance company to cause all such insurance proceeds to be delivered and paid to Landlord. Tenant shall, in a manner deemed appropriate by Tenant in Tenant's reasonable business judgment, use commercially reasonable, diligent efforts to obtain the maximum property insurance proceeds available in the event of any casualty damage to the Premises. In addition, if Tenant fails to maintain the property insurance on the Premises as required by this Lease, then Tenant shall be responsible for any amounts that would have been available from insurance proceeds had Tenant maintained such property insurance as required by this Lease. Upon any termination of this Lease pursuant to Section 5.01, Tenant shall, within thirty (30) days of such termination, turn over to Landlord the property insurance proceeds received by Tenant from Tenant's insurance company which are directly and solely attributable to the damage to the Premises, together with the amount of any applicable insurance deductible or self-insured retention maintained by Tenant with respect to such damage to the Premises (provided that in no event shall Tenant be required to turn over to Landlord an amount in excess of the total cost to repair the damage to the Premises which would be covered by such insurance). Tenant's obligations under this Section 5.03 shall survive the expiration or earlier termination of this Lease.

ARTICLE 6. UTILITIES

6.01 Landlord represents and warrants to Tenant that water, electricity, sewerage, and telephone (collectively, "Utilities") are currently available at the Premises from the applicable public utility company. During the Term, Tenant shall pay, prior to delinquency, all charges for Utilities used by Tenant at the Premises. Except to the extent caused by or arising out of the negligence or willful misconduct of Landlord or any of Landlord's agents, employees or contractors, Landlord shall not be liable for any interruption in utility services whatsoever, nor shall Tenant be entitled to an abatement or reduction of Rent on account thereof. Notwithstanding the foregoing, if any Utility service is interrupted as a result of the negligence or willful misconduct of Landlord or Landlord's agents, employees or contractors or any default by Landlord under this Lease, and such Utility service is not restored within five (5) days and Tenant, in its commercially reasonable business judgment, is unable to operate for business in the Premises for its typical business operations, then Tenant shall have the cumulative rights to do any or all of the following (i) abate all Base Rent from the date of interruption; or (ii) take all actions to repair or restore such Utilities, and in such case Landlord shall reimburse Tenant the actual, documented amounts incurred or paid by Tenant in performing such repairs or restorations within thirty (30) days after delivery to Landlord of notice of such amounts (and if Landlord fails to reimburse Tenant for all such amounts, then Tenant may offset and deduct such amounts from future monthly payments of Base Rent). In addition, and notwithstanding the foregoing, if any Utility

service is interrupted (other than as a result of a casualty to the Premises or a taking, which the parties agree shall be governed by Article 5 and Article 13 of this Lease, respectively) and such interruption is not caused by the negligence or willful misconduct of Tenant or any of Tenant's agents, employees or contractors or any default by Tenant under this Lease, and if such Utility service is not restored within ninety (90) days from the date of Landlord's receipt of notice of the interruption, and Tenant, in its commercially reasonable business judgment, is unable to operate for business in the Premises for its typical business operations, then Tenant may terminate this Lease upon written notice to Landlord.

ARTICLE 7. ENVIRONMENTAL

7.01 Tenant covenants and agrees that Tenant shall at no time use the Premises in violation of any Environmental Laws. Tenant shall promptly remedy at its sole cost and expense to the extent required by applicable Environmental Laws all such violations occurring as a result of the operations of Tenant or caused by Tenant, its employees, agents, contractors, customers or invitees. Tenant shall at no time use, analyze, generate, manufacture, produce, transport, store, treat, release, dispose of or permit the escape of, or otherwise deposit in, on, under or about the Premises, any Hazardous Substances in violation of any Environmental Laws; provided that nothing in this Lease shall limit Tenant's storage, use, sale and dispensing, in strict accordance with Environmental Laws, of oil, gasoline, petroleum products, engine fluids, cleaning substances and such other substances commonly used in or associated with the business of sale or rental of equipment (which may include the installation and use by Tenant on the Premises of fuel storage tanks), all of which shall be stored, used, sold and dispensed in compliance with Environmental Laws. In the event Landlord or Tenant receives any notice from any regulatory or enforcement entity or any other third party having jurisdiction over Hazardous Substances emanating from, to, at, on or under the Premises in violation of Environmental Laws, the party which receives such notice shall promptly send written notification of such notice to the other party. Tenant shall indemnify, defend and hold harmless the Landlord Indemnitees from and against all obligations (including removal and remedial actions, but only to the extent required by applicable Environmental Laws), losses, claims, suits, judgments, liabilities, penalties, damages, costs and expenses (including reasonable attorneys' and consultants' fees and expenses) incurred by, imposed on or asserted against such Landlord Indemnitees and resulting from (i) the release, transportation, storage, or disposal of Hazardous Substances by Tenant or Tenant's employees, agents, contractors, customers or invitees or anyone acting on behalf of Tenant in violation of Environmental Laws; or (ii) the breach by Tenant or Tenant's employees, agents, contractors, customers or invitees or anyone acting on behalf of Tenant of any Environmental Law. Notwithstanding anything contained in this Lease or otherwise, in no event shall Tenant be liable or responsible for any Hazardous Substances existing at, on, in or under the Premises prior to, or as of, the Effective Date of this Lease. Tenant's obligations pursuant to this Section 7.01 shall survive the expiration or earlier termination of this Lease.

7.02 Landlord shall indemnify, defend and hold harmless Tenant from and against all claims, liabilities, damages, penalties, fines, judgments, losses, costs and expenses (including attorneys' fees) resulting from (i) Hazardous Substances existing at, on, in or under the Premises prior to, or as of, the Effective Date of this Lease; or (ii) Landlord's violation of any applicable Environmental Laws. If any Hazardous Substances in violation of Environmental Law are discovered or located in, on or under the Premises at any time during the Term of this Lease and such Hazardous Substances were not caused or knowingly permitted by Tenant or Tenant's employees, agents, contractors, customers or invitees or anyone acting on behalf of Tenant, then, upon receipt of written notice from Tenant, Landlord shall be responsible to remediate the same to the extent required by Environmental Laws. If such remediation activities or the presence of any such Hazardous Substances in violation of Environmental Laws materially and adversely affects Tenant's use of the Premises, such that it is commercially unreasonable for Tenant to operate for business at the Premises and Tenant actually ceases operation in the entire Premises, then Rent shall abate until such material, adverse effect ends. In addition, if any such material, adverse effect continues for one hundred twenty (120) days and Tenant has ceased operations during such 120-day period, then Tenant may terminate this Lease upon written notice to Landlord. Landlord's obligations pursuant to this Section 7.02 shall survive the expiration or earlier termination of this Lease.

7.03 For purposes of this Lease, "Environmental Laws" means any and all federal, state and local laws, regulations, ordinances, codes and policies, and any and all judicial or administrative interpretations thereof by governmental authorities, as now in effect or hereinafter amended or enacted, relating to: (a) pollution or protection of the environment, natural resources or health and safety; including, without limitation, those regulating, relating to,

or imposing liability for emissions, discharges, releases or threatened releases of Hazardous Substances into the environment, or otherwise relating to the manufacture, processing, distribution, use, treatment, storage, disposal, release, transport or handling of Hazardous Substances; and (b) the use of chemical, electrical, radiological or nuclear processes, radiation, sophisticated electrical and/or mechanical equipment, sonar and sound equipment, lasers, and laboratory analysis and materials.

7.04 For purposes of this Lease, “**Hazardous Substances**” means, without limitation, any (a) substance defined as a “hazardous substance,” “extremely hazardous substance,” “hazardous material,” “hazardous chemical,” “hazardous waste,” toxic substance,” “pollutant or contaminant,” “petroleum,” “natural gas liquids,” or “air pollutant” by the Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. Section 9601, et seq.; the Hazardous Materials Transportation Act, 49 U.S.C. Section 1801, et seq.; the Resource Conservation and Recovery Act, 42 U.S.C. Section 6901, et seq.; the Federal Water Pollution Control Act, 33 U.S.C. Section 1251, et seq.; the Clean Air Act, 42 U.S.C. Section 7401, et seq.; the Emergency Planning and Community Right-to-Know Act, 42 U.S.C. Section 11001, et seq.; the Toxic Substances Control Act, 15 U.S.C. Section 2601 et seq.; the Occupational Safety and Health Act, 29 U.S.C. Section 651 et seq.; or the Occupational Safety and Health Standards, 25 C.F.R. 1910-1000 et seq., or regulations promulgated thereunder, all as amended to date and as amended hereafter; (b) hazardous materials, hazardous waste, toxic substance, toxic waste or hazardous material, waste, chemical or compound described in any other Environmental Laws; (c) asbestos, polychlorinated biphenyls, urea formaldehyde insulation, flammable or explosive or radioactive materials, motor fuel, oil, motor oil, waste oil, petroleum (including, without limitation, crude oil or any component thereof), petroleum-based products, paints, solvents, lead, cyanide, DDT, printing inks, acids, pesticides, ammonium compounds, and other regulated chemical products; and (d) any and all substances, chemicals, wastes, sewage or other materials that are now or hereafter regulated, controlled or prohibited by any Environmental Laws.

ARTICLE 8. REPAIRS

8.01 Landlord shall, at Landlord’s expense, diligently maintain and repair (including replacing if necessary) in good condition and repair (ordinary wear and tear excepted) and in compliance with all laws, ordinances, regulations and other governmental requirements (collectively “**Legal Requirements**”) (a) all structural portions and components of the Building, including the roof, roof membrane, roof covering (including interior ceiling if damaged by leakage), exterior walls, floors, slabs, footings, masonry, foundations and water tightness of the Building; (b) all exterior surfaces and portions of the Building (but excluding Tenant’s signage); (c) the storm water drainage system for the Premises, including all piping, swells and other means of directing storm water; (d) all water, sewerage, gas, electrical, mechanical and plumbing services, lines and facilities and other utility lines and facilities up to the point of entry into the Building; and (e) all portions of the Premises if required to be repaired, maintained or replaced because of latent defects, Landlord’s negligence or Landlord’s failure to comply with any of Landlord’s obligations under this Section 8.01. Landlord shall not, however, be required pursuant to this Section 8.01 to repair any damage caused by Tenant’s negligence or willful misconduct. Landlord shall, at Landlord’s expense, also promptly make all replacements, additions, alterations and improvements to the Premises if necessitated by, or required as a result of, any Legal Requirement. If any repairs required to be made by Landlord hereunder are not made within thirty (30) days after written notice thereof is delivered to Landlord by Tenant (provided, if such repairs cannot, by their nature, be made within such thirty (30) day period, then Landlord shall have such additional time as reasonably necessary to complete such repair provided Landlord has commenced the repair within such thirty (30) day period and thereafter diligently prosecutes such cure to completion), then Tenant may, at its option, make such repairs on Landlord’s account and Landlord shall pay to Tenant within twenty (20) days following its receipt of an invoice from Tenant the actual, reasonable cost of such repairs, without markup. If Landlord fails to reimburse Tenant for such amounts within such twenty (20) day period, then Tenant may offset such amounts from Rent due under this Lease. Notwithstanding the foregoing, Tenant shall have the right to make such repairs without notice to Landlord in the event of an Emergency, provided that Tenant shall use good faith, commercially reasonable efforts to first notify Landlord prior to making any such repairs and Tenant may only make such repairs to the extent necessary to eliminate the Emergency situation. For the purpose hereof, “Emergency” is defined as any situation which poses an imminent and material risk of damage to property or injury to person.

8.02 Subject to Section 8.01 above, Tenant shall, at Tenant’s expense, diligently maintain and repair (including replacing if necessary) in good condition (ordinary wear and tear excepted) and in compliance with all Legal Requirements all other portions of the Premises, including the HVAC. Notwithstanding the foregoing or anything to

the contrary contained in this Lease, Landlord shall repair any damage caused by the negligence or willful misconduct of Landlord or any of Landlord's agents, employees or contractors. If any repairs required to be made by Tenant hereunder are not made within thirty (30) days after written notice thereof is delivered to Tenant by Landlord (provided, if such repairs cannot, by their nature, be made within such thirty (30) day period, then Tenant shall have such additional time as reasonably necessary to complete such repair provided Tenant has commenced the repair within such thirty (30) day period and thereafter diligently prosecutes such cure to completion), then Landlord may, at its option, make such repairs on Tenant's account and Tenant shall pay to Landlord within twenty (20) days following its receipt of an invoice from Landlord, as Additional Rent hereunder, the actual, reasonable cost of such repairs, without markup. Notwithstanding the foregoing, Landlord shall have the right to make such repairs without notice to Tenant in the event of an Emergency, provided that Landlord shall use good faith, commercially reasonable efforts to first notify Tenant prior to making any such repairs and Landlord may only make such repairs to the extent necessary to eliminate the Emergency situation. Notwithstanding anything to the contrary contained in this Lease, Tenant shall be responsible, at its sole cost and expense, for snow and ice removal at the Premises.

ARTICLE 9. ALTERATIONS; SIGNAGE AND PERSONAL PROPERTY

9.01 Tenant shall have the right, without being required to obtain Landlord's consent, to place, affix and install Tenant's personal property, trade fixtures and equipment (including Tenant's signage) to, in and/or on the Premises, subject to compliance with Legal Requirements and any restrictions and requirements of record in the Title Documents which are listed on Exhibit E attached hereto (the "**Existing Restrictions**"); provided, however, that any alterations or repairs to the Premises for which a permit is required for compliance with Legal Requirements shall require the prior consent of Landlord (which consent shall not be unreasonably withheld, conditioned or delayed). In addition, Tenant may place or attach to the Premises the maximum signage and other such identification or advertisements as are permitted by local ordinances, and Tenant may change any such signage consistent with any change of Tenant's name or logo; provided, however, all signage and any modifications thereto shall be subject to Landlord's prior written approval, such approval not to be unreasonably withheld, conditioned, or delayed. All such personal property, trade fixtures, equipment and signage placed or installed in or affixed to or on the Premises shall remain Tenant's property, and Tenant shall have the right, at any time and from time to time, to install, remove and reinstall any and all such personal property, trade fixtures, equipment and signage; provided that upon the expiration or earlier termination of this Lease, Tenant shall remove such personal property, trade fixtures, equipment and signage from the Premises and repair any damage to the Premises caused by such removal. In addition, if any of Tenant's proposed signage does not meet current codes and ordinances and Tenant desires a variance, then Landlord shall cooperate with Tenant, at no expense to Landlord, by joining in any application or petition for such variance and approval.

9.02 Tenant shall, with Landlord's consent (which consent shall not be unreasonably withheld, conditioned or delayed), have the right to make such alterations, additions and improvements to the Premises as Tenant deems necessary or desirable; provided, however, Tenant shall have the right, without being required to obtain Landlord's consent, to make non-structural alterations, additions and/or improvements to the Premises which do not cost in excess of \$25,000.00 per instance; provided, further, that any alterations or repairs to the Premises for which a permit is required for compliance with Legal Requirements shall require the prior consent of Landlord (which consent shall not be unreasonably withheld, conditioned or delayed). In no event shall Tenant be required to remove any alterations, additions or improvements from the Premises upon the expiration or earlier termination of this Lease, unless Landlord notifies Tenant in writing that it will require removal in connection with granting its approval of such alteration, addition, or improvement.

9.03 Notwithstanding anything contained in Section 9.02 above, Tenant shall have the right, but not the obligation and without being required to obtain Landlord's consent, to (a) install Tenant's furniture, fixtures and equipment on or in the Building (which may include, without limitation, security systems, phone data systems and lines, and any other equipment and personal property); and (b) to rebrand the Premises in connection with converting the business to a Sunbelt Rentals location and to perform any and all alterations to the Premises deemed necessary by Tenant in connection therewith.

9.04 Any alterations, additions and improvements to the Premises shall not materially reduce the fair market value of the Premises below its value immediately before such alteration, addition or improvements and shall be

performed in a good and workmanlike manner and in accordance with applicable Legal Requirements and insurance requirements.

ARTICLE 10. COVENANTS

10.01 So long as Tenant is not in default under this Lease beyond the expiration of the applicable notice and cure period set forth in Section 14 below, Tenant shall have and enjoy the exclusive right to peaceably and quietly use, enjoy and possess the entire Premises and all of Tenant's rights under this Lease without any interference from Landlord or any person or entity claiming by, through, or under Landlord. Landlord further covenants, warrants and agrees that any transfer of the Premises shall be subject to this Lease and to Tenant's rights, benefits and privileges under this Lease and to Tenant's rights in and to the Premises.

10.02 Notwithstanding anything to the contrary contained in this Lease, (i) Landlord shall, at no cost to Tenant and within twenty (20) days of written request from Tenant, use commercially reasonable efforts to obtain all consents and approvals from third parties under any agreement, easement, declaration or other matter of record encumbering or affecting the Premises (a "Title Document") that are (or may be) required or necessary for the construction, signage, occupancy, use and/or operations contemplated herein (including, without limitation, for Tenant's use of the Premises for the Permitted Use), all in form and substance acceptable to Tenant; (ii) Tenant shall not be required to pay (or reimburse Landlord for) any assessments, costs, expenses or charges which are levied against the Premises pursuant to any Title Document or which otherwise may be due or payable under any Title Document; (iii) Tenant shall have no obligations under any Title Document, provided Tenant shall not violate any Existing Restrictions or obligations set forth in the Title Documents, and Landlord shall, at Landlord's expense, diligently perform all such obligations in accordance with all Title Documents; and (iv) Landlord warrants and represents to Tenant that, as of the Effective Date, the Premises complies with all of the terms, provisions and restrictions set forth in the Title Documents.

10.03 If any mechanic's or materialman's lien is filed against the Premises as a result of any additions, alterations, repairs, installations or improvements made by Tenant, or any other work or act of Tenant or on behalf of Tenant, then Tenant shall discharge or bond same within twenty (20) days from the date of Tenant's receipt of written notice of the filing of the lien. If Tenant shall fail to discharge or bond the lien within such twenty (20) day period, then Landlord may, upon five (5) days advance notice to Tenant, bond or pay the lien or claim for the account of Tenant without inquiring into the validity of the lien or claim; provided, however, if Tenant notifies Landlord prior to the end of such five (5) day period that Tenant in good faith disputes the validity of such lien, then Landlord may only bond the lien or claim for the account of Tenant. In either such event, Tenant shall reimburse Landlord for the reasonable costs of bonding or discharging such lien within twenty (20) days of Tenant's receipt from Landlord of reasonable documentation of such costs. Nothing contained in this Lease shall be construed as a consent on the part of Landlord to subject Landlord's estate in the Premises to any lien or liability under the lien law of the state in which the Premises is located.

10.04 Tenant shall, throughout the Term, at its sole cost and expense, comply with any and all Legal Requirements and insurance requirements applicable to Tenant's use of the Premises; provided, however, in no event shall Tenant be required to make (or pay for) any alterations or improvements to the Premises required to comply with any such Legal Requirements unless directly required because of any alterations performed to the Premises by Tenant; and Landlord shall, at Landlord's expense, perform and complete all such other alterations and improvements in compliance with all Legal Requirements.

ARTICLE 11. DELIVERY OF POSSESSION; CONDITION

11.01 On the Effective Date, Landlord shall deliver to Tenant sole and exclusive possession of the Premises. Except as otherwise set forth in this Lease, Tenant acknowledges and agrees that Landlord is making no representation or warranty, express or implied, in fact or by law, as to the nature, condition or usability of the Premises or any part thereof. Without limiting any of Landlord's obligations, agreements, representations or warranties set forth in this Lease, Tenant acknowledges that Landlord will not be providing any alterations or improvements to the Premises before the commencement of the Term.

11.02 Except as may otherwise be expressly provided herein, Landlord has made no representation or warranty as to the suitability of the Premises for the conduct of Tenant's business, and Tenant waives any implied warranty that the Premises are suitable for Tenant's intended purposes.

ARTICLE 12. SURRENDER OF PREMISES

12.01 Upon the expiration or earlier termination of the Term, Tenant shall surrender and deliver the Premises to Landlord broom clean and in the same (or substantially the same) condition as the Premises existed on the Effective Date, ordinary wear and tear, permitted alterations, repairs required to be made by Landlord, damage caused by Landlord or Landlord's agents, and damage caused by the elements, fire, condemnation, act of God and any other cause beyond the reasonable control of Tenant all excepted. Tenant's obligations under this Section 12.01 shall survive the expiration or earlier termination of this Lease.

ARTICLE 13. CONDEMNATION

13.01 If, during the Term, all of the Premises is permanently taken for any public or quasi-public use under any governmental law, ordinance or regulation, or by right of eminent domain, or should be sold to the condemning authority under threat of condemnation, then this Lease shall terminate and the Rent shall be abated during the unexpired portion of this Lease, effective as of the date of the taking or sale of the Premises. In addition, if any portion of the Premises is permanently taken for any public or quasi-public use under any governmental law, ordinance or regulation, or by right of eminent domain, or should be sold to the condemning authority under threat of condemnation, and if such taking, sale or condemnation shall materially and adversely affect Tenant's use of the Premises (as determined by Tenant in Tenant's business judgment), or if any access drives or curb cuts are so taken, sold or condemned such that Tenant no longer has access to the Premises via a public street sufficient for Tenant's business operations at the Premises (as determined by Tenant in Tenant's business judgment), then, in any such event, Tenant shall have the right to terminate this Lease upon written notice to Landlord. Landlord shall provide Tenant with prompt written notice of any actual or pending taking or condemnation (or deed in lieu thereof) affecting any part of the Premises. Any taking shall be deemed permanent if it lasts for more than one hundred twenty (120) days.

13.02 If any portion of the Premises is taken for any public or quasi-public use under any governmental law, ordinance, or regulation, or by right of eminent domain, or should be sold to the condemning authority under threat of condemnation, and if this Lease is not terminated pursuant to Section 13.01 above, then Landlord shall promptly, at Landlord's sole expense, restore and reconstruct the Building and other improvements situated on the Premises in such a manner to make the same reasonably tenantable and suitable for the uses for which the Premises are leased and in a manner reasonably acceptable to Tenant, and the rent payable hereunder during the unexpired portion of this Lease shall be equitably reduced. Landlord shall not be obligated to expend in such repair or rebuilding any sums greater than the proceeds of any award received by Landlord as a result of such taking, provided that if all such repairs and rebuilding are not completed, then Tenant shall have the option of either completing such repairs or rebuilding at Tenant's expense or terminating this Lease.

13.03 Landlord and Tenant shall each be entitled to receive and retain such separate awards and portions of lump sum awards as may be allocated to their respective interests in any condemnation proceedings. The termination of this Lease shall not affect the rights of the respective parties to such awards.

ARTICLE 14. DEFAULT

14.01 Each of the following events shall constitute a Tenant "Default": (i) if Tenant shall fail to pay any Base Rent or Additional Rent due under this Lease when the same becomes due and payable and such failure continues for ten (10) days after Tenant's receipt of written notice from Landlord of such delinquency; or (ii) if Tenant shall fail to perform any requirement or obligation of this Lease to be performed by Tenant and such failure shall continue for a period of thirty (30) days after Tenant's receipt of written notice from Landlord describing such failure (provided that if any such default cannot reasonably be cured within such thirty (30) day period, then Tenant shall have such additional time as is reasonably necessary to cure such default so long as Tenant uses reasonable diligence to promptly cure such default). In the event of a Tenant Default, Landlord may, in addition to other rights and remedies available at law or in equity:

(1) Terminate this Lease by giving Tenant written notice thereof, in which event Tenant shall pay to Landlord, as liquidated damages, the sum of: (1) all Base Rent and Additional Rent accrued hereunder through the date of termination; (2) all amounts due under Section 14.02; and (3) an amount equal to (A) the total Base Rent that Tenant would have been required to pay for the remainder of the Term discounted to present value at a per annum rate equal to the discount rate of the Federal Reserve Bank of Chicago at the time of the award, plus one percent (1%), minus (B) the then present fair rental value of the Premises for such period, similarly discounted. The "present fair rental value" of the Premises means the rate at which a Landlord under no compulsion to lease the Premises and a tenant under no compulsion to lease the Premises would determine as rent for the remainder of the term of this Lease, as of the date of occurrence of the Default, assuming that rent payments would begin following the average marketing period in the submarket for comparable buildings, and also taking into consideration the quality, size, design, and location of the Premises, as well as the cost to retrofit and/or renovate the Premises, market concessions, and the rent for comparable buildings located in the vicinity of the Premises; and/or

(2) Terminate Tenant's right to possess the Premises without terminating this Lease by giving written notice thereof to Tenant, in which event Tenant shall pay to Landlord: (1) all Base Rent, Additional Rent and other amounts accrued hereunder to the date of termination of possession; (2) all amounts due from time to time under Section 14.02; and (3) all Base Rent, Additional Rent and other net sums required hereunder to be paid by Tenant during the remainder of the Term as and when the same become due, diminished by any net sums thereafter received by Landlord through reletting the Premises during such period, after deducting all reasonable costs incurred by Landlord in reletting the Premises. Landlord shall use commercially reasonable efforts to relet the Premises at prevailing market rates on such terms as Landlord in its sole, but reasonable, discretion may determine (including a term different from the Term (provided, however, if the term of any reletting is greater than the amount of time remaining on the then current term of this Lease, then the reletting costs shall be reasonably allocated throughout the entire reletting term for purposes of determining such amount applicable to be paid by Tenant), rental concessions, and alterations to, and improvement of, the Premises); however, Landlord shall not be obligated to accept any prospective tenant proposed by Tenant. Tenant shall not be entitled to the excess of any consideration obtained by reletting over the Rent due hereunder. Reentry by Landlord in the Premises shall not affect Tenant's obligations hereunder for the unexpired Term; rather, Landlord may, from time to time, bring an action against Tenant to collect amounts due by Tenant, without the necessity of Landlord's waiting until the expiration of the Term. Unless Landlord delivers written notice to Tenant expressly stating that it has elected to terminate this Lease, all actions taken by Landlord to dispossess or exclude Tenant from the Premises shall be deemed to be taken under this subsection (2). If Landlord elects to proceed under this subsection (2), it may at any time elect to terminate this Lease under subsection (1); and/or

(3) Perform any act Tenant is obligated to perform under the terms of this Lease in order to cure such Default (and enter upon the Premises in connection therewith if necessary) in Tenant's name and on Tenant's behalf, without being liable for any claim for damages therefor, and Tenant shall reimburse Landlord on demand for any reasonable expenses which Landlord may incur in thus effecting compliance with Tenant's obligations under this Lease (including, but not limited to, collection costs and legal expenses), plus interest thereon at the Lease Interest Rate.

14.02 Upon any Default by Tenant under this Lease, Tenant shall pay to Landlord all reasonable costs incurred by Landlord (including court costs and reasonable out of pocket attorneys' fees and expenses) in: (1) obtaining possession of the Premises; (2) removing and storing Tenant's or any other occupant's property; (3) putting the Premises into the condition that Tenant is required to surrender the Premises pursuant to Article 12 of this Lease; and (4) enforcing, or advising Landlord of, its rights, remedies, and recourses arising out of the Default. To the full extent permitted by law, Landlord and Tenant agree the federal and state courts of the state in which the Premises are located shall have exclusive jurisdiction over any matter relating to or arising from this Lease and the parties' rights and obligations under this Lease. Notwithstanding anything to the contrary set forth herein, (a) in no event shall Landlord sue Tenant for (and in no event shall Tenant be liable for) any punitive damages, speculative damages, incidental damages or consequential damages; and (b) in no event shall Tenant be liable for or obligated to pay (i) any costs for any upfitting, alterations or improvements for any replacement tenant, (ii) any allowance payable to any replacement tenant or (iii) any brokerage commissions payable with respect to any new lease for the Premises.

14.03 If either (a) Landlord defaults in the performance or observance of any term, covenant or condition required to be performed or observed by Landlord under this Lease and such default is not cured by Landlord within thirty (30) days of Landlord's receipt of written notice of such default (provided that if any such default is curable by Landlord but cannot reasonably be cured within such thirty (30) day period, then Landlord shall have such additional time as is reasonably necessary to cure such default so long as Landlord promptly commences such cure and uses reasonable diligence to complete such cure as soon as possible), or (b) any of Landlord's representations or warranties in this Lease are breached, false or incorrect in any material respect, then Landlord shall be in default under this Lease and, in addition to all rights and remedies available at law and in equity, Tenant shall have the right to seek specific performance or injunctive relief, or exercise self-help to cure or remedy such default. In the event Landlord fails to reimburse Tenant for all costs and expenses incurred by Tenant in exercising its right of self-help within thirty (30) days following Landlord's receipt of an invoice from Tenant, Tenant shall have the right to offset such unpaid amounts from future monthly payments of Base Rent together with interest at the Lease Interest Rate on the applicable unpaid amounts until recovered in full. In addition to the foregoing, in the event any such Landlord default shall materially and adversely affect Tenant's use and occupancy of the Premises (as determined by Tenant in Tenant's reasonable business judgment), and if Landlord fails to cure such default within ten (10) days of Landlord's receipt of written notice thereof from Tenant (which notice must state "DEFAULT NOTICE/FAILURE TO CURE MAY RESULT IN LEASE TERMINATION" in the notice's re: line), then Tenant may terminate this Lease, in which case this Lease shall terminate on the date designated by Tenant in such notice.

ARTICLE 15. INSPECTION BY LANDLORD

15.01 Upon reasonable prior written notice from Landlord to Tenant, Tenant shall permit Landlord to enter the Premises at all reasonable times for the purpose of inspecting the Premises, showing the Premises to prospective lenders, tenants (but only during the last six (6) months of the Term) or purchasers or for the purpose of making repairs to the Premises required to be made by Landlord under this Lease. In connection with entering the Premises pursuant to this Section 15.01, Landlord shall minimize any interference with Tenant's use of the Premises.

ARTICLE 16. ASSIGNMENT AND SUBLEASE

16.01 Except with respect to Permitted Transfers, Tenant shall not assign, mortgage, hypothecate or otherwise encumber this Lease or sublet the Premises without the prior written consent of Landlord (which consent shall not be unreasonably withheld, conditioned or delayed). Notwithstanding any assignment, sublease or other transfer, Tenant shall remain primarily liable for each and every obligation of Tenant under this Lease.

16.02 Notwithstanding the foregoing, the following ("**Permitted Transfers**") shall not require Landlord's consent (and Tenant shall have the right to do, permit and/or perform all or any of the following Permitted Transfers from time to time in Tenant's sole discretion):

(i) an assignment or transfer of this Lease to (or a sublease of the Premises to) Tenant's parent entity, a wholly-owned subsidiary of Tenant or of Tenant's parent entity, any affiliated entity of Tenant, any entity which acquires Tenant through merger, consolidation or other corporate action, or any entity which purchases all or substantially all of the assets of Tenant;

(ii) a change in ownership of Tenant as a result of a merger, consolidation, reorganization, or joint venture;

(iii) the sale, exchange, issuance or other transfer of Tenant's or Tenant's parent entity's stock (either on a national exchange or otherwise); or

(iv) the sale or transfer of at least ten (10) locations (including the Premises and this Lease) in a bulk sale to one transferee;

and provided (a) if this Lease is assigned pursuant to a Permitted Transfer, then Tenant shall provide to Landlord written notice of such Permitted Transfer promptly after its occurrence; (b) Tenant is not then in Default under the terms of this Lease; (c) within a reasonable time after the execution of any such assignment or subletting, a fully executed and acknowledged assignment or sublease agreement is delivered to Landlord; and (d) Tenant shall, at all times, remain primarily liable under this Lease. In addition, the sale, exchange, issuance or other transfer of

Tenant's stock shall not require Landlord's consent. Tenant shall not be required to obtain Landlord's consent and Landlord shall have no right to delay, alter or impede any of the foregoing transactions or combinations thereof.

ARTICLE 17. INSURANCE

17.01 During the Term, Tenant shall maintain (a) commercial general liability insurance with limits of liability of not less than One Million Dollars (\$1,000,000) per occurrence and with no less than a Two Million Dollar (\$2,000,000) general aggregate limit and with umbrella coverage of at least Three Million Dollars (\$3,000,000), and naming Landlord and Landlord's mortgagee (provided that Landlord provides to Tenant the name and address of such mortgagee and a specific request to name such mortgagee as an additional insured) as additional insured thereunder, (b) Worker's Compensation insurance with statutory limits for all applicable federal or state regulations for the state where the Premises is located, (c) Environmental liability insurance in an amount of at least \$2,000,000.00 per incident and with Landlord and Landlord's mortgagee named as additional insureds, (d) Commercial Auto Liability Insurance with a limit of not less than One Million and 00/100 (\$1,000,000.00) Dollars combined single limit each accident covering liability arising out of any auto (including owned, hired, and non-owned autos); and (e) Fire and extended coverage insurance at least as broad as the Insurance Services Office's Causes of Loss Special Form (or its equivalent), insuring the Premises, including the Building, in an amount equal to one hundred percent (100%) of the full replacement cost thereof. Such property insurance shall name Tenant as the insured, Landlord as loss payee (provided that Landlord covenants and agrees that all of the insurance proceeds due or payable under such property insurance policy shall be paid to Tenant and shall be Tenant's property to repair and restore the damage to the Premises as and if required pursuant to Section 5 of this Lease and in no event shall any such insurance proceeds be deposited with, paid to or held by Landlord (except as otherwise set forth in Section 5.01 and Section 5.03 above)), and Landlord's first mortgagee from time to time as additional loss payee (provided that Landlord delivers to Tenant written notice of the name and address of such mortgagee and provided that such mortgagee agrees in writing for the benefit of Tenant that all such insurance proceeds shall be paid to Tenant to the extent Tenant is obligated to restore the Premises pursuant to Section 5 above and such proceeds shall not be paid to, held by, or deposited with mortgagee), as their interests may appear. Tenant shall furnish to Landlord certificates of such insurance required hereunder at least ten (10) days prior to the date Tenant enters or occupies the Premises, and at least fifteen (15) days prior to each renewal of said insurance, and to the extent available, Tenant shall obtain a written obligation on the part of each insurance company to notify Landlord at least thirty (30) days before cancellation, non-renewal or a material change of any such insurance policies. Tenant may maintain any of the insurance required to be maintained under this Lease under a "blanket" policy or policies covering other properties of Tenant or Tenant's parent corporation, subsidiaries or affiliates. Tenant may also maintain such deductibles and/or self-insured retentions as Tenant shall desire in Tenant's business judgment.

17.02 During the Term, Landlord shall, at Landlord's expense, maintain commercial general liability insurance with limits of liability of not less than One Million Dollars (\$1,000,000) per occurrence and naming Tenant as an additional insured thereunder.

17.03 All insurance required under this Article 17 shall be issued by insurance companies licensed to do business in the State where the Premises is located with a Best's Rating of at least A-VIII. Each party shall, upon the request of the other party, provide certificates of insurance evidencing such insurance coverage as is required under this Article 17.

17.04 Except to the extent caused by or arising out of the negligence or misconduct of Landlord or any Landlord Indemnitee or any default or breach by Landlord under this Lease, Tenant hereby indemnifies, defends and agrees to hold and save Landlord and Landlord's owners, members, partners, managers, directors, officers, employees, and any mortgagee (collectively "**Landlord Indemnities**" and individually "**Landlord Indemnitee**") harmless from and against any and all losses, claims, suits, proceedings, actions, causes of action, responsibility, liability, demands, judgments, and executions, including reasonable attorney's fees (collectively "**Claims**"), which either (i) arise from any act or omission of Tenant or its employees, agents, contractors, guests or invitees on the Premises; or (ii) result from any Default by Tenant under this Lease. Except to the extent caused by or arising out of the negligence or misconduct of Tenant or any Tenant Indemnitee or any default or breach by Tenant under this Lease, Landlord hereby indemnifies, defends and agrees to hold and save Tenant and Tenant's owners, members, partners, managers, directors, officers, employees, and any mortgagee (collectively "**Tenant Indemnities**" and individually "**Tenant Indemnitee**") harmless from and against any and all Claims which either (i) arise from any act or omission of

Landlord or its employees, agents, contractors, guests or invitees on the Premises; or (ii) result from any default by Landlord under this Lease. This indemnification agreement is separate and apart from and in no way limited by, any insurance provided pursuant to this Lease or otherwise. The terms of this Section 17.04 shall survive the expiration or earlier termination of this Lease.

17.05 Notwithstanding anything to the contrary in this Lease, to the extent permitted by law and without affecting the coverage provided by insurance required to be maintained hereunder, Landlord and Tenant shall each agree to waive any right to recover against the other party (and the other party's agents, officers, directors and employees) on account of any and all claims it may have against the other party (and the other party's agents, officers, directors and employees) with respect to the property insurance actually maintained, or required to be maintained under this Article 17, and to the extent proceeds are realized from such insurance coverage that are applied to such claims. Each property policy described in this Lease shall contain a waiver of subrogation endorsement that provides that the waiver of any right to recovery shall not invalidate the policy in any way.

17.06 Any self-insurance maintained by Tenant through deductibles and/or self-insured retention shall be deemed to contain all of the terms and conditions applicable to such insurance as required in this Article 17, including, without limitation, a deemed waiver of subrogation in favor of Landlord and a deemed provision including Landlord and Landlord's mortgagee as co-loss payees and/or additional insureds as the case may be; consequently, Landlord shall be treated, for all purposes, as if Tenant had actually purchased full insurance from a state regulated insurance company without any such deductibles and/or self-insured retention. In addition, no such self-insurance (by means of deductibles or self-insured retention) by Tenant shall diminish the rights and privileges to which Landlord is otherwise entitled under the terms of this Lease if there were a third-party insurer, including, without limitation, any release of Landlord from liability as set forth in this Lease. Further, during such period of time that Tenant self-insures under this Section 17.06 through deductibles or self-insured retention, Tenant in its capacity as insurer shall not be entitled to the benefit of any waivers of limitations applicable to Tenant in its capacity as a party under this Lease which would not be applicable to an independent third-party insurer under this Lease. If Tenant elects to so self-insure as to deductibles and/or self-insurance, then with respect to any claims which may result from incidents occurring from and after such election, such self-insurance obligation shall survive the expiration or earlier termination of this Lease to the same extent as the third-party insurance required would have survived.

ARTICLE 18. LANDLORD REPRESENTATIONS

18.01 Notwithstanding anything to the contrary contained in this Lease, Landlord represents and warrants to Tenant that: (i) Landlord is the sole fee simple owner of the Premises, and Landlord has full power and authority to execute and deliver this Lease and to perform Landlord's obligations under this Lease and the person executing this Lease is duly authorized to do so; (ii) Landlord has no actual knowledge, without investigation, and received no notice of: (1) any pending or threatened eminent domain or zoning proceedings or other governmental actions or any judicial actions of any kind against the Premises, (2) any violation or pending violation of or grounds for a violation of any applicable law against the Premises, including, without limitation, any environmental laws or the Americans with Disabilities Act, or (3) any litigation or claim against the Premises; (iii) other than the Title Documents attached hereto, Landlord has no actual knowledge, without investigation, of any zoning proceedings or proposed zoning proceedings against the Premises; (iv) other than the Title Documents attached hereto, no private restrictions, easements, covenants, or agreements, whether oral or written, restrict or limit the use of the entire Premises for all of the Permitted Use (including, without limitation, for outside storage) or any of Tenant's rights under this Lease or which shall impose any obligations on Tenant or which shall interfere with Tenant's use and enjoyment of the entire Premises; (v) Landlord has no actual knowledge, without investigation, of any land filling or chemical production having occurred on, in or about the Premises; (vi) Landlord has no actual knowledge, without investigation, of the Premises having been used for the storage, treatment or disposal of any hazardous or toxic material or substance; (vii) Landlord shall not, without Tenant's prior written consent in each instance, consent to any new title document or any agreement affecting the Premises or exercise any consent or approval under any title document which adversely affects Tenant or Tenant's use or occupancy of the Premises; (viii) on the Effective Date, the Premises (including all parts, components and systems within and/or serving the Premises) shall be in good condition and good working order and the Building shall be water tight and free of leaks; (ix) as of the Effective Date, the Premises has (and the Premises shall have at all times during the Term) legal and direct vehicular (including truck) and pedestrian access for ingress and egress to and from the Premises and Southern Boulevard; (x) the Premises is

Notwithstanding anything contained in this Lease or otherwise, in the event of a termination of this Lease for any reason, Tenant or Tenant's lender shall have up to thirty (30) days after such termination to remove Tenant's trade fixtures, machinery, equipment, inventory and other property (collectively "**Tenant's Property**") from the Premises without any interference from Landlord, and Landlord shall allow Tenant and Tenant's lender access to the Premises in connection therewith, provided that, during any such period, Tenant or Tenant's lender shall pay Landlord a per diem rent amount for any days of such access at the per diem rent amount for the last month of the Term of this Lease and Tenant's lender shall agree in writing prior to any entry into the Premises by such lender (i) to indemnify, defend and hold harmless Landlord and the Landlord Indemnities from and against any and all losses, claims, suits, proceedings, actions, causes of action, responsibility, liability, demands, judgments, and executions, including reasonable attorney's fees arising from the activities of Tenant's lender or its agents at the Premises; (ii) to repair any damage caused by the activities of Tenant's lender on the Premises, and (iii) that if Tenant's lender does not remove the Tenant's Property within 30 days after the date of termination, then Tenant's lender shall have no further license to enter into the Premises. CONSULTING AGREEMENT

THIS CONSULTING AGREEMENT (this “Agreement”), dated as of this ____ day of _____, 2021 (the “Effective Date”), by and between Sunbelt Rentals, Inc., a North Carolina corporation (“Sunbelt”), and Bruno E. Ramos (“Consultant”).

WHEREAS, in connection with the consummation of the transactions contemplated by that certain Asset Purchase Agreement dated _____, 2021 (the “Purchase Agreement”) by and among Sunbelt, Action Rentals Holdings, LLC, a Florida limited liability company (“ARH”), Action Equipment Holdings, LLC, a Delaware limited liability company (“AEH”), Action Rentals Trench, Shoring & Supply, LLC, a Florida limited liability company (“ARTSS”), each of the Subsidiaries of ARH and AEH listed on Schedule A to the Purchase Agreement (such subsidiaries together with ARH, AEH, and ARTSS, each a “Seller” and, collectively, “Sellers”), and the Consultant, Buyer is acquiring substantially all of the assets of Sellers relating to their equipment rental business;

WHEREAS, Sellers are engaged in the business of renting and selling construction equipment and machinery, related parts and tools, and the provision of services related thereto (the “Business”); and

WHEREAS, Consultant is familiar with the Business and has participated in the operation of Sellers, and it is the desire of the parties hereto to execute an agreement whereby Consultant shall provide services to Sunbelt as regards to the transitioning of the Business into the business and operations of Sunbelt.

NOW, THEREFORE, in consideration of the mutual promises hereinafter set forth and for other good and valuable consideration, the receipt and legal sufficiency of which are hereby acknowledged, intending to be legally bound, it is agreed as follows:

1. Services.

(a) In consideration for the compensation set forth in Paragraph 3, upon the terms and subject to the conditions of this Agreement, Sunbelt hereby retains Consultant to perform, and Consultant hereby agrees to perform, the following services (the “Services”) within the existing geographical service area of the Business (the “Service Area”):

(i) such advice and assistance as Sunbelt shall reasonably request from time-to-time relating to the transitioning of the Business;

(ii) such advice and assistance as Sunbelt shall reasonably request from time-to-time relating to the retention of the existing client base of the Business; and

(iii) such advice and assistance as Sunbelt shall reasonably request from time-to-time in connection with the ongoing operation of the Business.

(b) In the performance of the Services hereunder, Consultant shall perform his duties hereunder in accordance with, and shall at all times adhere to, all such reasonable rules, regulations and instructions as may be adopted from time to time by Sunbelt. Consultant’s

performance of the Services shall not be subject to a weekly hours requirement but instead the Services shall be performed at such times and at such places within the Service Area as Sunbelt and the Consultant shall mutually and reasonably agree. Sunbelt shall provide reasonable notice to Consultant of any requested business travel, and the parties shall work together to reasonably accommodate Consultant's schedule in Consultant's performance of the Services while meeting the needs of the Business.

2. Term and Termination.

(a) The term of this Agreement shall commence on the Effective Date and shall expire at the close of business on the one (1) year anniversary of the Effective Date (the "Term"), unless sooner terminated as provided in this Agreement.

(b) Notwithstanding the provisions of Paragraph 2(a), this Agreement shall be terminated as follows:

(i) automatically upon Consultant's death;

(ii) by Sunbelt, immediately upon written notice to Consultant, in the event that Consultant is in material breach of any of his representations, warranties, covenants and agreements set forth in this Agreement; provided, that, Sunbelt has given Consultant notice of such breach and Consultant has not cured such breach within ten (10) days of such notice;

(iii) by Sunbelt, immediately upon written notice to Consultant, in the event of personal misconduct, fraud or dishonesty on the part of Consultant in the performance of the Services pursuant to this Agreement;

(iv) by Consultant, immediately upon written notice to Sunbelt, in the event that Sunbelt is in material breach of any of its representations, warranties, covenants and agreements set forth in this Agreement; provided, that, Consultant has given Sunbelt notice of such breach and Sunbelt has not cured such breach within ten (10) days of such notice; or

(v) following the six (6) month anniversary of the Effective Date, by Consultant upon fifteen (15) days' prior written notice to Sunbelt.

Any notice provided pursuant to subsections (i), (ii), (iii), (iv) or (v) immediately above shall include a reasonably detailed description of the nature of any such claimed breach.

3. Consideration.

(a) During the Term, in consideration for the performance of the Services hereunder, Consultant shall be compensated at the monthly rate of (i) \$23,250 payable on a monthly basis and with no deductions during the first two (2) months of the Term and (ii) \$12,500 payable on a monthly basis and with no deductions during the remainder of the Term.

(b) Sunbelt shall reimburse Consultant for all reasonable and customary business-related expenses incurred by Consultant in connection with the performance of the

Services provided to Sunbelt under this Agreement, such reimbursement to be in accordance with the policies and practices of Sunbelt, as such policies and practices shall be established or modified from time to time.

4. Representations and Warranties.

(a) Consultant represents and warrants to Sunbelt that: (i) Consultant has the capacity to execute and deliver this Agreement and to comply with the terms, conditions and provisions hereof; (ii) this Agreement is a legal, valid and binding agreement of Consultant enforceable against Consultant in accordance with its terms; (iii) Consultant will comply with all applicable laws, regulations and orders of any governmental entity or body with recognized jurisdiction over such party or over the performance of the Services; and (iv) Consultant is not restricted from performing the Services under this Agreement by any agreements or covenants binding on Consultant which impose non-competition, non-solicitation, or similar restraints on Consultant, including without limitation any agreements or covenants between Consultant and any previous employer or client of Consultant.

(b) Sunbelt represents and warrants to Consultant that: (i) Sunbelt has the power and authority to execute and deliver this Agreement and to perform its obligations hereunder; and (ii) this Agreement is a legal, valid and binding agreement of Sunbelt enforceable against Sunbelt in accordance with its terms.

5. Status of Consultant. Consultant's legal status is as an independent contractor for Sunbelt. Nothing in this Agreement shall constitute Consultant as the agent, partner, joint venturer, or employee of Sunbelt for any purpose whatsoever, nor shall Consultant hold himself out as such. Consultant shall have no authority to bind Sunbelt by any statement, representation or promise of any kind unless specifically authorized to do so in writing by Sunbelt. Unless otherwise agreed in writing by Sunbelt in advance, Consultant shall be responsible for all of his own costs and expenses (including, without limitation, the costs and expenses of insurance and any applicable taxes, withholdings, contributions, fees or charges levied or required by any governmental entity) as a result of Consultant's performance of the Services. Consultant shall not participate in any employee benefits provided by Sunbelt to its employees, including workers' compensation insurance, disability, pension or other employee plans. The parties acknowledge and agree that Consultant shall be free to engage in other consulting projects or employment throughout the Term, so long as such other consulting projects or employment do not unreasonably interfere with Consultant's performances of Services hereunder, or are not inconsistent with Consultant's obligations hereunder.

6. Confidential Information.

(a) For purposes of this Agreement, "Confidential Information" shall mean (i) any confidential, privileged and proprietary information of Sunbelt and its Affiliates (as defined in the Purchase Agreement) relating to their respective businesses, in any and all forms, including, without limitation, business plans, financial information, trade secrets, know-how, products, methods, techniques, systems, works of authorship, customer lists, projects, plans, proposals, prices, pricing methodology, profit margins, orders, marketing materials, specifications, research, formulas, inventions, designs, methods, procedures, processes, or combinations or applications thereof, technology, intellectual property, records, computer software, marketing strategies and

sales techniques, forecasts, budgets, names, requirements, materials, documents, and other information regarded by Sunbelt as proprietary and confidential; (ii) the existence and terms and conditions of this Agreement; and (iii) the information acquired by Sunbelt in connection with the transactions contemplated by the Purchase Agreement. Confidential Information shall not include any information which: (A) is or was demonstrably known to Consultant prior to his consulting engagement with Sunbelt, but not including any confidential or proprietary information related to the Business which has been acquired by Sunbelt; (B) is or becomes generally known to the public through no action on Consultant's part; (C) is generally disclosed to third parties by Sunbelt without restriction on such third parties; or (D) Consultant receives from any third party who is not under any obligation to maintain the confidentiality of any such information.

(b) Consultant acknowledges and agrees that, as a result of Consultant's previous relationship with Seller and as a result of the performance of the Services pursuant to this Agreement, Consultant has had and will continue to have access to Confidential Information, and that the unauthorized disclosure or use of such Confidential Information would seriously damage the business and financial condition of Sunbelt. As a material inducement to Sunbelt to engage Consultant to provide Services to Sunbelt, Consultant hereby agrees that, unless specifically authorized in writing by Sunbelt in advance or as required by applicable law, he shall not, directly or indirectly: (i) use any Confidential Information for any purpose other than to the extent necessary to perform the Services for Sunbelt; or (ii) divulge, communicate or disclose any Confidential Information for any purpose.

(c) Upon the termination or expiration of this Agreement, regardless of the date, cause or manner of such termination or expiration, Consultant (or in the event of the death of Consultant, his personal representative, heirs, successors or assigns) shall turn over and return to Sunbelt all property whatsoever of Sunbelt in or under his (or their) possession or control, including without limitation all Confidential Information.

7. Ownership of Work Product.

(a) For purposes of this Agreement, "Work Product" means any of the following which is developed, reduced to practice or otherwise created or made by Consultant in connection with Consultant's performance of Services under this Agreement: (i) works of authorship, designs, models, drawings, ideas, concepts, discoveries, algorithms, improvements, modifications, know-how, processes, methods, proprietary information, software code, developments, data, work product, results, technology, techniques and inventions (whether or not patentable); (ii) patents, copyrights, trademarks, service marks, trade secrets, trade dress, or other intellectual property rights associated with the foregoing; and (iii) documents, materials, records, media and other tangible property associated with the foregoing.

(b) Notwithstanding Consultant's status as an independent contractor of Sunbelt, to the extent any Work Product includes materials subject to copyright protection, such materials have been specially commissioned by Sunbelt and shall be deemed "work for hire" as such term is defined under U.S. copyright law. To the extent any Work Product does not qualify as "work for hire" under applicable law, and to the extent the Work Product includes material subject to copyright, patent, trade secret, or other proprietary rights protection, Consultant hereby irrevocably and exclusively assigns to Sunbelt, its successors, and assigns, all right, title, and interest in and to all Work Product. To the extent any of Consultant's rights in the same, including,

without limitation, any moral rights, are not subject to assignment hereunder, Consultant hereby irrevocably and unconditionally waives all enforcement of such rights. Consultant agrees to execute, acknowledge and deliver any and all documents and instruments necessary or useful to confirm complete ownership of the Work Product by Sunbelt. At the request and expense of Sunbelt, Consultant shall promptly cooperate and render whatever assistance may be requested for Sunbelt to apply for, obtain, secure and enforce a patent, copyright, trademark, service mark, or other protection (in any and all countries) for the Work Product.

8. Reasonableness of Restriction. Consultant has carefully read and considered the provisions of this Agreement and, having done so, expressly agrees and acknowledges that (a) the covenants and agreements set forth herein are based upon valuable and sufficient consideration, the receipt of which as of the date of this Agreement is hereby acknowledged, and (b) such covenants and agreements are fair and reasonable in all respects, and are reasonably required and necessary for the protection of the legitimate business and competitive interests of Sunbelt.

9. Remedies. Consultant acknowledges and agrees that because the violation, breach, or threatened breach of Paragraphs 6 or 7 may result in immediate and irreparable injury to Sunbelt, Sunbelt shall be entitled, without limitation of remedy, to seek (a) temporary and permanent injunctive and other equitable relief restraining Consultant from activities constituting a violation, breach or threatened breach of Paragraphs 6 or 7 to the fullest extent allowed by law, and (b) all such other remedies available at law or in equity, including without limitation the recovery of damages.

10. Survival. The provisions of this Agreement which by their nature are intended to survive the termination or expiration of this Agreement shall continue as valid and enforceable obligations of the parties notwithstanding any such termination or expiration of this Agreement for any reason (including without limitation the provisions of Paragraphs 3 and 6-14).

11. Notice. All notices and other communications required or permitted hereunder shall be made in accordance with, and shall be governed by, Section 9.3 of the Purchase Agreement.

12. Governing Law. This Agreement and the rights and obligations of the parties will be governed by, and construed and enforced in accordance with, the internal laws of the State of Florida, without regard to conflicts of law principles that would require application of any other law.

13. Jurisdiction and Venue. The parties agree that any action or proceeding with respect to this Agreement will be brought exclusively in the federal or state courts of the State of Florida. Sunbelt and Consultant irrevocably consent to the exclusive jurisdiction of the federal and state courts of the State of Florida and irrevocably waive any objection, including an objection or defense based on lack of personal jurisdiction, improper venue or *forum non conveniens*, which any such party may now or hereafter have to the bringing of any action or proceeding in connection with this Agreement in a court located in the State of Florida. Sunbelt and Consultant acknowledge and agree that any service of legal process by mail in the manner provided for notices under this Agreement constitutes proper legal service of process under applicable law in any action or proceeding under or in respect to this Agreement.

14. Miscellaneous.

(a) Successors and Assigns. This Agreement shall be binding upon and shall inure to the benefit of Sunbelt and the Consultant and their respective successors, permitted assigns, and legal representatives of every kind, character or nature. Notwithstanding the foregoing, the Consultant may not assign his rights or obligations under this Agreement, by operation of law or otherwise. Any attempted assignment by the Consultant in violation of this Paragraph 14(a) shall be void.

(b) Waiver. The failure of a party at any time or times to require performance of any provision hereof or claim damages with respect thereto shall in no manner affect its right at a later time to enforce the same. No waiver by a party of any condition or of any breach of any term, covenant, representation or warranty contained in this Agreement shall be effective unless in writing, and no waiver in any one or more instances shall be deemed to be a further or continuing waiver of any such condition or breach in other instances or a waiver of any other condition or breach of any other term, covenant, representation or warranty.

(c) Invalidity. If any provision of this Agreement shall be determined to be void, invalid, unenforceable or illegal for any reason, the validity and enforceability of all of the remaining provisions hereof shall not be affected thereby. If any particular provision of this Agreement shall be adjudicated to be invalid or unenforceable, such provision shall be deemed amended to delete therefrom the portion thus adjudicated to be invalid or unenforceable, such amendment to apply only to the operation of such provision in the particular jurisdiction in which such adjudication is made; provided that, if any provision contained in this Agreement shall be adjudicated to be invalid or unenforceable because such provision is held to be excessively broad as to duration, geographic scope, activity or subject, such provision shall be deemed amended by limiting and reducing it so as to be valid and enforceable to the maximum extent compatible with the applicable laws of such jurisdiction, such amendment only to apply with respect to the operation of such provision in the applicable jurisdiction in which the adjudication is made.

(d) Entire Agreement; Amendment. This Agreement and the Purchase Agreement constitute the full and entire understanding and agreement between Sunbelt and the Consultant with respect to the subject matter hereof and supersede any and all prior agreements, arrangements and understandings, both written and oral, with respect to the subject matter hereof. This Agreement may be amended, modified or supplemented only in writing signed by Sunbelt and the Consultant.

(e) Section Headings; Counterparts; Facsimile Signatures. The section and paragraph headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement. This Agreement may be executed in any number of counterparts, by original, facsimile or .pdf file signatures, each of which shall be deemed an original, but all of which taken together shall constitute one and the same instrument.
